The Unexpected Professor An Oxford

Best known for his provocative take on cultural issues in The Intellectuals and the Masses and What Good Are the Arts?, John Carey describes in this warm and funny memoir the events that formed him - an escape from the London blitz to an idyllic rural village, army service in Egypt, an open scholarship to Oxford and an academic career that saw him elected, age 40, to Oxfor

The Unexpected Professor: An Oxford Life in Books by John ...

Carey, a well-known Oxford Professor of English literature, recounts in his affable and unassuming way his journey to the cloistral hush of St. John's College, where he began his life at Oxford and in academia. Carey is down-to-earth, contemptuous of elitism and staggeringly well-read.

The Unexpected Professor: An Oxford Life in Books by John ...

There is a story about the time Professor Carey was a member of a panel carrying out the final oral examination of an Oxford BA candidate (in the Latin that nostalgic Oxford is still fond of using the Viva, or Viva Voce exam). The student took his seat. The chairperson said "Professor Carey will open the questioning." The candidate promptly fainted.
