The scent of lemon balm brings up memories of the desert for Georgie. It was there when she survived a desert storm with Ibrahim, prince of Zaraq. It was there when her divorce ruined her in the eyes of the country. It was also there when her love for Ibrahim came to full realization, putting Ibrahim's royal standing on trial. Does his love for Georgie extend beyond his duties as the prince, or will propriety require him to turn away his

In this uplifting new book, author Stephen G. Post explores the mysteries and the wonder of Godly love—the all important love that is at once personal, unconditional, unlimited, generative, and omnipresent. The title alludes to Isaiah 35, to the way in which Godly love is said to plant a rose in our hearts precisely when we feel most like a dry desert with no more love of our own to give. Post draws on his own life experiences as well as his work at the Institute for Research on Unlimited Love, as he

Jim Neenan intersperses personal anecdotes with spiritual truths and research on human happiness. In the process, he defines the concept of Godly love and illustrates how important it can be in our lives—not only emotionally and spiritually, but physically as well. "Godly love," he writes, "is the only foundation in the universe that we can really lean on." We all have deserts in life, so we all need Godly love. Without it, the downward slide to cynicism, hostility, and cool indifference can be all too easy. These meditations on the subject will nurture our confidence in the power of a love that is
