A gripping literary thriller and smash bestseller that has taken Italy, France, Germany and the UK by storm. Six severed arms are discovered, arranged in a mysterious circle and buried in a clearing in the woods. Five of them appear to belong to missing girls between the ages of eight and eighteen. The sixth is yet to be identified. Worse still, the girls' bodies, alive or dead, are nowhere to be found. Lead investigators Mila Vasquez, a celebrated profiler, and Goran Gavila, an eerily prescient criminologist, dive into the case. They're confident they've got the right suspect in their sights until they discover no

link between him and any of the kidnappings except the first. The evidence in the case of the second missing child points in a vastly different direction, creating more questions than it answers. Vasquez and Gavila begin to wonder if they've been brought in to take the fall in a near-hopeless case. Is it all coincidence? Or is a copycat criminal at work? Obsessed with a case that becomes more tangled and intense as they unravel the layers of evil, Gavila and Vasquez find that their lives are increasingly in each other's hands. *THE WHISPERER*, as sensational a bestseller in Europe as the Stieg Larsson novels, is that rare creation: a thought-provoking, intelligent thriller that is also utterly unputdownable.

Six severed arms are discovered buried in a forest clearing. They are arranged in a mysterious circle, and appear to belong to missing girls between the ages of eight and thirteen. But the rest of the bodies are nowhere to be found. Criminologist Goran Gavila is given the case. A dishevelled, instinctively rebellious man, he is forced to work with young female police officer Mila Vasquez. Lithe, boyish, answering to no one, Mila has a reputation as a specialist in missing children. She also has a tragic history of her own that has left her damaged, unable to feel or to relate to others. Theirs is a fiery but strangely affecting working relationship - and as they uncover more secrets about the dark secrets in the forest, their lives are increasingly in each other's hands... As dark and gripping as ever, this is Donato Carrisi's latest thriller. A young woman wakes up in a hospital bed, disoriented and with a broken leg. The room she is in has no windows, only a huge mirror lining one wall, although she can't see her reflection in it. With her is a man who introduces himself as Dr White, a criminal profiler. He explains that her name is Samantha, that she has been kidnapped and kept prisoner, but managed to escape, and that his job is to find her kidnapper. However, the hunt will not take place in the outside world, but in Samantha's mind. White reveals to Samantha that she is no longer thirteen, but twenty-eight. In other words, she was held prisoner for fifteen years. With his help, she gradually starts to recall certain episodes from her captivity. In a city overcome by a ferocious heatwave, where the people have taken to sleeping during the day, and leaving their homes only at night, a private detective called Bruno, who has spent years investigating Samantha's disappearance, learns of her liberation. Now, stricken with a heart disease, the detective has only two months to live, but nonetheless, he takes up the hunt once more.

Ten years after the debut of the international bestseller *The Whisperer*, the challenge begins again. The phone call to the police arrives at dusk from an isolated farmhouse, fifty miles from the city. A terrified woman's voice pleads for help. But a violent storm rages in the area and the first available patrol only succeeds in reaching her hours later. It is too late. Something perturbing has happened, something which leaves the investigators in the dark. Just one person is able to reveal the message hidden behind this act of evil, but this person is no longer a policeman. She left her work as a missing persons investigator and withdrew from society to live an isolated existence beside a lake; her daughter Alice her only companion. Even so, when she is called upon to help with this case, Mila Vasquez cannot shirk her duty. The investigation involves her closely . . . more than she could ever believe. It is a game and it has only

A brutal killer is on the streets of Rome. He leaves no trace. And shows no mercy. A series of gruesome murders leaves the police force in Rome reeling, with no real clues or hard evidence to follow. Assigned to the case is Sandra Vega, a brilliant forensic analyst, struggling to come to terms with the crimes and her own past. Sandra's shared history with Marcus, a member of the ancient Penitenzeri - a unique Italian team, linked to the Vatican, and trained in the detection of true evil, means that the two are brought together again in the pursuit of a malignant killer.
