" Wisdom is the power to see, and the inclination to choose, the best and highest goal, together with the surest means of attaining it. Wisdom is, in fact, the practical side of moral goodness. As such, it is found in its fulness only in God. He alone is naturally and entirely and invariable wise. " 18

"The wisdom of God tells us that God will bring about the best possible results, by the best possible means, for the most possible people, for the longest possible time." (Charles Ryrie, quoted by Chip Ingram in God: As He Longs For You To See Him, p. 128.) Let's say that out loud and weigh the words as they pass through our mouths.

Read "The Wisdom of God Seeing Jesus in the Psalms and Wisdom Books" by Nancy Guthrie available from Rakuten Kobo. Second book in the Seeing Jesus in the Old Testament Bible study series leads readers on a 10-week study of Job, Psalms,...

This 10-week study of Job, Psalms, Proverbs, Ecclesiastes, and the Song of Solomon mines the Wisdom Literature not only for wise principles for living, but also for the wise person these books point to through their drama, poetry, proverb, and song. In her accessible and authentic style, Nancy Guthrie focuses on seeing Jesus in the Old Testament instead of emphasizing works-based moralism. She presents clear commentary and contemporary application of gospel truths, speaking directly to issues such as repentance, submission, happiness, and sexuality. Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ ' s kingdom, and a leader ' s guide for group discussion.

Second book in the Seeing Jesus in the Old Testament Bible study series leads readers on a 10-week study of Job, Psalms, Proverbs, Ecclesiastes, and Song of Solomon, highlighting how the Wisdom Literature points to Christ.

This book aims to create a Christian theology of wisdom for the present day, in discussion with two sets of conversation-partners. The first are writers of the 'wisdom literature' in ancient Israel and the Jewish community in Alexandria. Here, special attention is given to the biblical books of Proverbs, Job and Ecclesiastes. The second conversation-partners are philosophers and thinkers of the late-modern age, among them Jacques Derrida, Emmanuel Levinas, Julia Kristeva, Paul Ricoeur and Hannah Arendt. In the late-modern period there has been a reaction against an inherited conception of the conscious and rational self as mastering and even subjugating the world around, and there has been an attempt to overcome the consequent split between the subject and objects of observation. Paul S. Fiddes enters into dialogue with these late-modern concerns about the relation between the self and the world, proposing that the wisdom which is indicated by the ancient Hebraic concept of 'okmah integrates a 'practical wisdom' of handling daily experience with the kind of wisdom which is 'attunement' to the world and ultimately to God as creator and sustainer of all. Fiddes brings detailed exegesis of the ancient wisdom literature into interaction with an account of the subject in late-modern thought, in order to form a theology in which seeing the world is knowing a God whose transcendent reality is always immanent in the signs and bodies of the world. He thus argues that participation in a triune, relational God shapes a wisdom that addresses problems of a dominating self, and opens the human person to others.

Helping participants to see Christ in the drama, poetry, and songs of the Wisdom Literature, The Wisdom of God is available at a discounted price in this pack of ten. Volume 4 in the Seeing Jesus in the Old Testament series.

From pastor and New York Times bestselling author Timothy Keller comes a beautifully packaged, yearlong daily devotional based on the Book of Proverbs. Proverbs is God ' s book of wisdom, teaching us the essence and goal of a Christian life. In this 365-day devotional, Timothy Keller offers readers a fresh, inspiring lesson for every day of the year based on different passages within the Book of Proverbs. With his trademark knowledge, Keller unlocks the wisdom within the poetry of Proverbs and guides us toward a new understanding of what it means to live a moral life. God ' s Wisdom for Navigating Life is a book that readers will be able to turn to every day, year after year, to cultivate a deeper, more fulfilling relationship with God. This makes a perfect companion to Keller ' s devotional on the Psalms, The Songs of Jesus.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Wisdom. We need it. We want it - but often look for it in all the wrong places.Every day our life circumstances dictate the need for wisdom. From the simple, everyday choices to the more complex and life changing - we need wisdom for successful decision-making. Challenging situations and relationships regularly come in life, often leaving us confused and needing guidance. We read self-help books and ask people for advice. We get educated in different ways or look online for help, yet often come up empty-handed. We need wisdom that isn't subjective or unproven. We need wisdom that leaves us hopeful and confident; alleviating fears and giving us peace. And yet, as we search for it in the world, we often find it lacking and confusing.Where do we find solid wisdom for navigating life's paths?Solomon will tell us in the book of Proverbs that wisdom begins with the fear of God. Setting our heart on God and trusting in Him is where wisdom begins. Out of that relationship comes a commitment to seek God, obey Him, and trust Him with all of life's choices. In God is found wisdom because He, alone, knows the beginning from the end. His wisdom goes beyond the seen to the unseen. He alone speaks wisdom into all of life's circumstances. The search is over for finding wisdom! Proverbs is the "how to" for life and it will lead you to the heart of God and His wisdom. It isn't a book of formulas. It is a life-giving book of Godly principles and priorities written by a king, under the inspiration of the Holy Spirit, who was the wisest man in the world. Solomon shares what he learned when he followed wisdom's path, and also what happened when he wandered off of it.As King Solomon will say in Proverbs 2:4-6, "If you seek her [wisdom] as silver, and search for her as for hidden treasures; then you will understand the fear of the LORD, and find the knowledge of God. For the LORD gives wisdom; from His mouth come knowledge and understanding."Join us for this thirteen week study from the book of Proverbs as we gain God's wisdom to navigate all of life's challenges and honor Him with our decision-making. Throughout the study we will also be highlighting women of the Bible so that we may learn from both their wise and unwise decisions.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

"Drawing on resources as diverse as Sufism, Benedictine Monasticism, the Gurdjieff Work, and the string theory of modern physics, Cynthia Bourgeault has crafted her own unique vision of the Wisdom way in this very accessible book, nicely balanced between concept and practice." —Gerald May, senior fellow, Shalem Institute, and author, Addiction and Grace and Will and Spirit "The spiritual wisdom and practical suggestions in this lively and beautiful book will be helpful to many who find themselves setting out on the interior journey." —Bruno Barnhart, a Camaldolese monk and author, Second Simplicity: The Inner Shape of Christianity "Cynthia Bourgeault's book is a valuable contribution to the much-needed reawakening of spiritual practice within a Christian context. Her sincerity, good sense, metaphysical depth, and broad experience make her a source to be trusted." —Kabir Helminski, Sufi Shaikh, the Threshold Society

" Incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling uplifted. " —The Washington Times Based on the acclaimed sermon series by New York Times bestselling author Timothy Keller, this book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that your spouse is there to help you realize your potential; that marriage does not mean forever, but merely for now; and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. The Meaning of Marriage offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life.
