An editor at a conference suggested I learn about cumulative sentences. What are they? A cumulative sentence (also sometimes called a loose sentence) is an independent clause followed by one or more modifiers. Essentially, you use words, phrases, and clauses to expand on or refine the main idea of the sentence.

happens, a witness immediately after the accident, and the at-fault driver ...

## **The Writer - Advice and inspiration for today's writer**

Fictional writers use a variety of sentence lengths. This prevents the text from being boring to read. Short sentences, which may only contain a few words, are used to break the flow of the text and provide extra emphasis. In some cases, the writer may place a short sentence in a new paragraph for even greater significance.

## **Why Do Writers Use Short Sentences? - Reference.com**

I know many writers who try to hit a set word count every day, but for me, time spent inside a fictional world tends to be a better measure of a productive writing day. I think I'm fairly generative as a writer, I can produce a lot of words, but volume is not the best metric for me.

## **The Daily Routines of 12 Famous Writers - James Clear**

The short sentences at the end are used to summarize the key points of the whole instruction material. The effect of long sentences in creative writing. Although

# Download Ebook The Writers World Sentences And Paragraphs 3rd Edition

Long sentences have the smell of the old-fashioned 19 century romantic prose, the usage of the long sentences in modern creative writing also has right for a life.

## **Writing effective sentences: long vs. short sentences**

In an active sentence, the subject (the person or thing doing the action) comes first. In a passive sentence, the order of the words is different—the object (the thing that is receiving the action) comes first, and the subject appears at the end of the sentence or isn't included at all.

# Download Ebook The Writers World Sentences And Paragraphs 3rd Edition **Writing Concisely - The Writing Center • University of ...**

In a nutshell, sentences act as cohesive bundles of words that make sense together, and that can be threaded together to tell an informational or entertaining story. And that means focusing less on sentence fragments, independent clauses, comma splices, run-on sentences, etc. and focusing on context. Because context is everything.
