In the twentieth century the lost child continues to torment the national consciousness, but no longer as the bewildered wanderer in the bush. Instead the emblematic lost child of modern Australia is ...

The Country of Lost Children

"Those beautiful vessels, robed in purest white, so delightful to the eye of freemen," Douglass writes, "were to me so many shrouded ghosts, to terrify and torment... 4 The House That Uncle Tom's ...

They're gone.I'm still trying to process that fact, but I can't. Although I have nowhere near enough life or leadership experience, I have to serve my purpose and lead the Angels' army to war. But for every step we take, Lucas trumps it as he orchestrates the beginnings of World War III. Single-handedly, he turns the humans against the Amadis, and when Tristan and I top every country's list of Most Wanted Terrorists, we're forced to go underground to fight this war.With the help of my people and a group of unexpected allies, I have to figure out a way to stop the Daemoni from taking over humanity. Some claim Lucas to be the Antichrist. I won't give him that credit, but he's sure trying his best to prove me wrong. If it's true, then we've all become part of an age-old prophecy of divine providence. But the Amadis will do everything we can to stop Lucas and change the world's destiny, even if it means we die trying.

Never make a deal with a fae, they say. But sometimes there's no choice, consequences be damned. As daughters of the Amadis royal family, my twin Brielle and I should have been helping our people rebuild civilization after the War of Armageddon. Instead, our mother does the unthinkable, possibly sparking a new war, and we're whisked away to another realm to hide us from our enemies. When we return home, we discover our parents are missing, our people have scattered, and every faction hunts the Knight twins. Some are obsessed with claiming our formidable power for themselves. Others simply want us dead. Still, I can't believe we're home for less than a day when I end up as Winter Court's prisoner in Faery. And it only gets worse from there. To protect my sister, I've made a deal with a fae that shatters any hopes for my own future. A dark prince ignites something in me that feels all wrong and oh, so right. And then there's the enchanting princess I ache for... yet can never have. Foes become allies, friends become traitors, and one truth emerges with clarity: war is imminent. My only hope to protect everyone I love is to harness the dark power within me-a force that can save worlds or annihilate us all. If I fail to control it, someone else will. But to master it, I must face my most daunting opponent yet-myself. Knights of Souls and Shadows is the spinoff series of the internationally best-selling, award-winning Soul Savers series with over one million books read. You don't need to read Soul Savers first. This new adventure is a series all on its own, featuring the next generation in their own pursuit to save the worlds-or at least try not to destroy them all.

All I've ever wanted was a normal life, but two days before I'm supposed to leave for college, Mom wakes me up at the butt-crack of dawn so we can hit the road early. She acts like we can't escape this city fast enough, but won't explain. I know we have family secrets. She's been guarding them from me all my life, supposedly with good reason. But after a bizarre attack by creatures that can't possibly be real, I think it's time for me to know the truth, with or without her help.I've barely started my covert investigation, though, when I meet Tristan Knight. He's gorgeous, smart, and talented, and he seems to enjoy hanging out with me. I suddenly forget all about our enigmatic family and retreat behind my façade of normalcy. At least, until one fateful night when I discover he's not normal either. The secrets begin to unravel. Supposedly, we're fated mates, and our union brings hope to my family's secret society, aka the Angels' army on earth. Our love could save the world. Or end it. Because the Angels aren't the only ones who want us on their side. The Demons will stop at nothing to claim the ultimate power couple. After all, we're a match made in Heaven-and in Hell.

The first and last thing I remember about my entire life happened two seconds ago, when I woke up in the middle of the forest with a group of strangers who claim to be family and friends. I have no idea who they are. In fact, I have no idea who I am.They say I'm their leader, which makes me laugh, then the scary but sexy one sweeps me in his arms and takes me back to their home against my will. I kick and scream the whole way, though I can't deny how nice his arms feel around me. He says he's my second-in-command and my husband, but wouldn't I remember this man who takes my breath away? And the fact that I have twin babies? I mean, come on. How could I forget that?The more I learn about all of the challenges these people are facing, the more I question what kind of leader this Alexis person-supposedly me-is. Nobody knows what happened to me, but in a world destroyed by war and black magic, we realize I've been cursed. While they scramble to find an antidote, we're attacked, and it quickly becomes apparent that if I don't regain my memories and my power fast, everyone will suffer. Not just these people I've been getting to know, but the whole world. Because I'm supposed to lead this new Age of Angels-which just might end before it's really begun.

Two years ago, Kaela Peters nearly killed her fiance by ripping his throat out. Once she gained control over her vampire urges, she hoped to rekindle their love, only to find him on one knee again-now with her best friend. She can't blame them for their betrayal, though. They've been compelled to forget that she even existed. But she can't forget them, so when she receives an unexpected job offer far away in the Colorado mountains, she seizes the opportunity to escape her past and the painful memories. If only she'd known she was running right into her true past and memories that cut even deeper. Her real name isn't Kaela Peters, Havenwood Falls and her new job are not what they seem on the surface, and the love of her life isn't the ex in Atlanta. As she starts piecing together the fragmented memories of her past and her moroi heritage, the passion of old love reignites. Until she discovers that the triggering of her vampire gene may have been foul play with dire consequences-and Xandru Roca, the epic love she'd left behind, has something to do with it all. This is a New Adult paranormal romance in the Havenwood Falls series of New Adult and Adult fantasy novellas featuring a variety of supernatural creatures. The series is a collaborative effort by multiple authors. Each book is generally a stand-alone, so you can read them in any order, although some authors will be writing sequels to their own stories. Please be aware when you choose your next read. We do recommend that you read Forget You Not first as an introduction to the town and its eccentricities. Other books in the main Havenwood Falls series: Fate, Love & Loyalty by E.J. Fechenca Old Wounds by Susan Burdorf Covetousness by Randi Cooley Wilson The Winged & the Wicked by T.V. Hahn & Kristie Cook Alpha's Queen by Lila Felix Ink & Fire by R.K. Ryals Books are released on a monthly basis. Coming soon are stories by Belinda Boring, Heather Hildenbrand, Amy Hale, Amy Miles, and more. Look for Havenwood Falls High, a Young Adult series. Immerse yourself in the world of Havenwood Falls and stay up to date on news and announcements at www.HavenwoodFalls.com. Join our reader group, Havenwood Falls Book Club, on Facebook at https://www.facebook.com/groups/HavenwoodFallsBookClub/

When Alexis Ames is attacked by creatures that can't be real, she decides it's time she learns who she really is, with or without the help of her mother, who guards their family's secrets closely. After meeting the inhumanly attractive, multi-talented Tristan Knight, however, Alexis retreats behind her facade of normalcy.. until she discovers he's not exactly normal either. Then their secrets begin to unravel. Their union brings hope and promise to her family's secret society, the Angels' army, and to the future of mankind. But it also incites a dangerous pursuit by the enemy - Satan's minions and Tristan's creators. After all, Alexis and Tristan are a match made in Heaven and in Hell.

"A father who reveals his truth. Twins who take different paths--one light, one dark. Angels who have plans for them both and Demons who do as well. So the Earthly battle for souls ignites ... A tale that is over 2,000 years old, this is the story of the Amadis beginnings."--Page 4 of cover.

Evil reigns the world. Earth's been ravaged. The only signs humans survived the war come from those who serve the Demons' army. To continue his conquest of humanity, Lucas prepares to open the gates of Hell and bring Satan himself to the physical realm.With a soul that's been battered and beaten by both Heaven and Hell, I hold on to a single conviction-my love for my family. My only mission now is to save their souls. But the Angels have other plans for us all.My faith in them, in everything is fractured... broken. Possibly gone forever.I mean, after everything, after all of the loss, who can blame me? Tristan and everyone else still believe in the Angels and in me. I have to dig deep, though, for the tiniest bit of faith in order to defeat Lucas and win back the world. But first, I must answer the question that's haunted me for years: How far will I go to save the souls I love-and those I do not?

Despite being the eldest daughter of a Baron, Chelsea has spent her life enduring endless torment at the hands of her mother and younger twin sister Margaret. But that all changed on her twelfth birthday, when she is discovered to have the never-before-seen skill — [Seed Creation!] Brought to the Royal Research Institute by her appraiser, Glen, for further study of her ability, she is greeted with open arms, a big room with personal maids, a soft warm bed, and all the delicious food she could want. Her life couldn't have done more of a complete 180! But of course, Margaret won't sit by quietly as Chelsea is now pampered like a princess...
