In comics, a trade paperback (shortened: TPB or trade) is a collection of stories originally published in comic books, reprinted in book format, usually presenting either a complete miniseries, a story arc from a single title, or a series of stories with an arc or common theme. A trade paperback may reproduce the stories either at the same size in which they were originally presented (in comic book format), in a smaller "digest-sized" format, or a larger-than-original hardcover.

What is a Trade Paperback? A Trade Paperback is the softer version of the hardcover books and has paper thin covers, although it's thicker than the pages. The covers are, sometimes, better in design compared to the hardcovers, but mostly not. Trade Paperbacks are produced in more quantities and hit the stores with more numbers compared to hardcovers. The quality of hardcovers is better than that of paperbacks, not just in the quality of the covers but also the paper quality. The quality of ...

The term "Trade Paperback" derives from the standard practice within the publishing trade of issuing a version of a hardback book in a less expensive form. Trade paperbacks are issued in the same size and format as a hardcover edition of the same book. Unlike the smaller and less expensive mass-market paperback, trade paperbacks often are identical to a hardback book, even having the same page numbers. The paper quality is better as well, as most often they are printed on acid-free paper ...
