Ya' lives by the sun, ya' dies by the sun. Life is always at a turning point . . . when faced with a certain death . . . would you be willing to seize the moment . . . and do what it takes to survive? Know this. You'll never know where the bend in the road might take you.

We'll live to fight another day! The Lone Star Series continues as international best selling author, Bobby Akart (The Blackout Series, The Pandemic Series, The Boston Brahmin series and the Prepping for Tomorrow series) intertwines historical fact with plausible fiction in SUICIDE SIX, the thrilling conclusion to The Lone Star Series, a post-apocalyptic EMP survival thriller. With those words, a hero rose to the challenge and a family found the strength within themselves to face the unthinkable. The forces of evil have descended upon Armstrong Ranch. The family had worked this ranch since the 1800s and now invaders from a faraway land had plans to take it away. Will the Armstrongs persevere in the face of a well-trained, deadly enemy which intends to steal their home, and end their lives? The Lone Star Series is a thought-provoking, gut-wrenching look into a post-apocalyptic world devastated by nuclear destruction. Will you be ready to make the tough decisions to protect your family and survive? Here's what readers have said about The Lone Star Series: ..". enjoy a well written, highly emotional and entertaining story that will stay with you long after that last page has been turned." "Wow! What a ride ... series gets better with each book!" "The suspense in this series is crazy good." "Just keeps you wanting more." "Bobby Akart is still the 'KING OF TEOTWAWKI!'" ABOUT THE LONE STAR SERIES Political suspense collides with post-apocalyptic thriller fiction with the Lone Star Series by Best Selling Author Bobby Akart. A devastating EMP attack thrusts most of America into darkness, except for one state which has taken the steps to protect its power grid Texas. World War III is imminent and a new President faces terrible choices as she navigates the shark-infested waters of Washington, and the geopolitical complexities around the world. From Washington to Austin to a ranch in West Texas, decisions are made to protect the lives of Americans, some of which are considered selfish, rather than for people s survival. The Lone Star series is designed to be the most thought-provoking post-apocalyptic series ever written. It will be a reminder to us all that ... One day, tomorrow won't come.

In this sixth book of the series, an unexpected turn of events deals the rebuilding effort a near deadly blow as the United States Government, in the form of a FEMA occupying force, descends upon Savannah, Tennessee. The FEMA battalions leader is hell-bent on revenge and he is proof that in a post-apocalyptic world, hell is empty and all the devils are here.

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two

people alive in the face of total devastation. A New York Times Notable Book One of the Best Books of the Year The Boston Globe, The Christian Science Monitor, The Denver Post, The Kansas City Star, Los Angeles Times, New York, People, Rocky Mountain News, Time, The Village Voice, The Washington Post

Includes appendixes dealing with solar flares and prepper checklists, as well as a sneak peek from EMP: electromagnetic pulse, part of the author's The prepping for tomorrow series.

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over???the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, The Enemy is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

They say it came from the night sky. Streaks of light have crashed from the heavens, but they're not angels or demons. They've brought something far, far worse. Something that turns people into mindless, cannibalistic monsters. The flashpoint is Texas. A reporter follows her story of unspeakable horror south of the border. A wounded fighter pilot finally gets his chance to return to duty, only to find himself forced into a recon mission that the government has strictly forbidden. A billionaire with dreams of space is watching those dreams turn to ash when he discovers what could only be a crashed alien spacecraft. A brilliant geneticist conducting outlawed research comes face to face with a nightmare that is consuming the world faster than anyone can comprehend. There's no time to stop the outbreak. This is A Time to Die.

Animals have their own language. A language, Ruby Spencer doesn't understand. Because if she did, she'd know that unrest festers. The natural order on Earth and Athanasia is about to shift. Animals are tired of being underdogs to humans and vampires. And wolves are more than happy to lead a rebellion. Without an alpha who can speak to their hearts, find middle ground, and quell the uprising, the animals will be unstoppable. The universe will encounter an inescapable turning point. Ruby is the one and only Tether who can connect the animals with their rightful king. If only she could be found.

NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization ' s collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Soon to be a Max Original Limited Series on HBO Max. A National Book Award Finalist • A PEN/Faulkner Award Finalist Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band ' s existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel ' s new novel, Sea of Tranquility, coming in April 2022!
