Following the structure of the twelve-step programs, a step-by-step guide to a happier, more-fulfilling life shows how to set priorities, manage stress, replace rationalization with honesty, overcome obsession, and triumph over failure. Reprint.

THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET ‘ It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control. But control was something I’d lost a long time ago. ’ Nic Sheff was drunk for the first time at age 11. In the years that followed, he would regularly smoke pot, do cocaine and ecstasy, and develop addictions to crystal meth and heroin. Even so, he felt like he would always be able to quit and put his life together whenever he needed to. It took a violent relapse one summer to convince him otherwise. In a voice that is raw and honest, Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery. He paints an extraordinary picture for us of a person at odds with his past, with his family, with his substances, and with himself. Tweak is a raw, harrowing, and ultimately hopeful tale of the road from relapse to recovery and complements his father ’ s parallel memoir, Beautiful Boy. Praise for Nic Sheff:- ‘ Difficult to read and impossible to put down. ’ Chicago Tribune ‘ Nic Sheff’s wrenching tale is told with electrifying honesty and insight.’ Armistead Maupin

"Through its ... look at drinking culture throughout Latin America, this ... book offers a rich cultural and historical context for understanding Latin spirits. Ivy Mix has dedicated years to traveling south, getting to know Latin culture, in part through what the locals drink. What she details in this book is the discovery that Latin spirits echo the Latin palate, which echoes Latin life, emphasizing spiciness, vivaciousness, strength, and variation. After digging into tequila and Mexico’s other traditional spirits, [she] follows the sugar trail through the Caribbean and beyond, winding up in Chile, Peru, and Bolivia, where grape-based spirits like pisco and singani have been made for generations"--

Handmade Electronic Music: The Art of Hardware Hacking provides a long-needed, practical, and engaging introduction for students of electronic music, installation and sound-art to the craft of making—as well as creatively cannibalizing--electronic circuits for artistic purposes. Designed for practioners and students of electronic art, it provides a guided tour through the world of electronics, encouraging artists to get to know the inner workings of basic electronic devices so they can creatively use them for their own ends. Handmade Electronic Music introduces the basic of practical circuitry while instructing the student in basic electronic principles, always from the practical point of view of an artist. It teaches a style of intuitive and sensual experimentation that has been lost in this day of prefabricated electronic musical instruments whose inner workings are not open to experimentation. It encourages artists to transcend their fear of electronic technology to launch themselves into the pleasure of working creatively with all kinds of analog circuitry.

A culinary and natural history of mushroom foraging subculture juxtaposes the experiences of savvy mushroom-hunting iconoclasts and loners against the high-priced capitalism of four-star kitchens.

INSTANT NEW YORK TIMES BESTSELLER A moving account of resilience, hope, fear and mortality, and how these things resonate in our lives, by actor and advocate Michael J. Fox. The entire world knows Michael J. Fox as Marty McFly, the teenage sidekick of Doc Brown in Back to the Future; as Alex P. Keaton in Family Ties; as Mike Flaherty in Spin City; and through numerous other movie roles and guest appearances on shows such as The Good Wife and Curb Your Enthusiasm. Diagnosed at age 29, Michael is equally engaged in Parkinson ’ s advocacy work, raising global awareness of the disease and helping find a cure through The Michael J. Fox Foundation for Parkinson ’ s Research, the world ’ s leading non-profit funder of PD science. His two previous bestselling memoirs, Lucky Man and Always Looking Up, dealt with how he came to terms with the illness, all the while exhibiting his iconic optimism. His new memoir reassesses this outlook, as events in the past decade presented additional challenges. In No Time Like the Future: An Optimist Considers Mortality, Michael shares personal stories and observations about illness and health, aging, the strength of family and friends, and how our perceptions about time affect the way we approach mortality. Thoughtful and moving, but with Fox ’ s trademark sense of humor, his book provides a vehicle for reflection about our lives, our loves, and our losses. Running through the narrative is the drama of the medical madness Fox recently experienced, that included his daily negotiations with the Parkinson ’ s disease he ’ s had since 1991, and a spinal cord issue that necessitated immediate surgery. His challenge to learn how to walk again, only to suffer a devastating fall, nearly caused him to ditch his trademark optimism and “ get out of the lemonade business altogether. ” Does he make it all of the way back? Read the book.

A tale based on today’s headlines as well as the author’s work as a prosecuting attorney follows veteran police detective Wyatt James’s dangerous investigation into the organization of a powerful methamphetamine distributor. By the author of Never Mind Nirvana. Reprint. 25,000 first printing.

A ferocious debut that puts Frank Bill’s southern Indiana on the literary map next to Cormac McCarthy’s eastern Tennessee and Daniel Woodrell’s Missouri Ozarks Crimes in Southern Indiana is the most blistering, vivid, flat-out fearless debut to plow into American literature in recent years. Frank Bill delivers what is both a wake-up call and a gut punch. Welcome to heartland America circa right about now, when the union jobs and family farms that kept the white on the picket fences have given way to meth labs, backwoods gunrunners, and bare-knuckle brawling. Bill’s people are pressed to the brink—and beyond. There is Scoot McCutchen, whose beloved wife falls terminally ill, leaving him with nothing to live for—which doesn’t quite explain why he brutally murders her and her doctor and flees, or why, after years of running, he decides to turn himself in. In the title story, a man who has devolved from breeding hounds for hunting to training them for dog-fighting crosses paths with a Salvadoran gangbanger tasked with taking over the rural drug trade, but who mostly wants to grow old in peace. As Crimes in Sourthern Indiana unfolds, we witness the unspeakable, yet are compelled to find sympathy for the depraved. Bill’s southern Indiana is haunted with the deep, authentic sense of place that recalls the best of Southern fiction, but the interconnected stories bristle with the urban energy of a Chuck Palahniuk or a latter-day Nelson Algren and rush with the slam-bang plotting of pulp-noir crime writing à la Jim Thompson. Bill’s prose is gritty yet literary, shocking, and impossible to put down. A dark evocation of the survivalist spirit of the working class, this is a brilliant debut by an important new voice.

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.
