Wherever Chelsea Handler travels, one thing is certain: she always ends up in the land of the ridiculous. Now, in this uproarious collection, she sneaks her sharp wit through airport security and delivers her most absurd and hilarious stories ever. On safari in Africa, it's anyone's guess as to what's more dangerous: the wildlife or Chelsea. But whether she's fumbling the seduction of a guide by not knowing where tigers live (Asia, duh) or wearing a bathrobe into the bush because her clothes stopped fitting seven margaritas ago, she's always game for the next misadventure. The situation gets down and dirty as she defiles a kayak in the Bahamas, and outright sweaty as she escapes from a German hospital on crutches. When things get truly scary, like finding herself stuck next to a passenger with bad breath, she knows she can rely on her family to make matters even worse. Thank goodness she has the devoted Chunk by her side-except for the time she loses him in Telluride. Complete with answers to the most frequently asked traveler's questions, hot travel trips, and travel etiquette, none of which should be believed, UGANDA BE KIDDING ME has Chelsea taking on the world, one laugh-out-loud incident at a time.

Wherever Chelsea Handler travels, one thing is certain: she always ends up in the land of the ridiculous. Now, in this uproarious collection, she sneaks her sharp wit through airport security and delivers her most absurd and hilarious stories ever. On safari in Africa, it's anyone's guess as to what's more dangerous: the wildlife or Chelsea. But whether she's fumbling the seduction of a guide by not knowing where tigers live (Asia, duh) or wearing a bathrobe into the bush because her clothes stopped fitting seven margaritas ago, she's always game for the next misadventure. Thank goodness she has the devoted Chunk by her side-except for the time she loses him in Telluride. Complete with answers to the most frequently asked traveler's questions, hot travel trips, and travel etiquette, none of which should be believed, UGANDA BE KIDDING ME has Chelsea taking on the world, one laugh-out-loud incident at a time.

In this uproarious collection of travel essays, Chelsea Handler sneaks her sharp wit through airport security and delivers her most absurd and hilarious stories ever. On safari in Africa, it's anyone's guess as to what's more dangerous: the wildlife or Chelsea. But whether she's fumbling the seduction of a guide by not knowing where tigers live (Asia, duh) or wearing a bathrobe into the bush because her clothes stopped fitting seven margaritas ago, she's always game for the next misadventure. The situation gets down and dirty as she defiles a kayak in the Bahamas, and outright sweaty as she escapes from a German hospital on crutches. Complete with answers to the most frequently asked traveler's questions, hot travel trips, and travel etiquette, none of which should be believed, Uganda Be Kidding Me has Chelsea taking on the world, one laugh-out-loud incident at a time.

In these personal essays, the hilarious comedian and Chelsea Lately host reflects on family, love life, and the absurdities of adulthood with "cheeky candor" and signature wit (Philadelphia Inquirer). Life doesn't get more hilarious than when Chelsea Handler takes aim with her irreverent wit. Who else would send all-staff emails to smoke out the dumbest people on her show? Now, in this new collection of original essays, the #1 bestselling author of *Are You There,odka?* It's Me, Chelsea delivers one laugh-out-loud moment after another as she sets her sights on the ridiculous side of childhood, adulthood, and daughterhood. Family moments are fair game, whether it's writing a report on Reaganomics to earn a Cabbage Patch doll, or teaching her father social graces by ordering him to stay indoors. It's open season on her love life, from playing a prank on her boyfriend (using a ravioli, a fake autopsy, and the Santa Monica pier) to adopting a dog so she can snuggle with someone who doesn't talk. And everyone better duck for cover when her beach vacation turns into matchmaking gone wild. Outrageously funny and deliciously wicked, Chelsea Chelsea Bang Bang is good good good good! Chelsea Handler on . . . Being unpopular: "My parents couldn't have been more unreasonable when it came to fads or clothes that weren't purchased at a pharmacy." Living with her boyfriend: "He's similar to a large toddler, the only difference being he doesn't cry when he wakes up." Appreciating her brother: "He's a certified public accountant, and I have a real life." Arm-wrestling a maid of honor: "It wasn't her strength that intimidated me. It was the starry way her eyes focused on me, like Mike Tyson getting ready to feed."

"My tendency to make up stories and lie compulsively for the sake of my own amusement takes up a good portion of my day and provides me with a peace of mind not easily attainable in this economic climate."--Chelsea Handler, from Chapter 10 of Chelsea Chelsea Bang Bang It's no lie: Chelsea Handler loves to smoke out "dumbassness," the condition people suffer from that allows them to fall prey to her brand of complete and utter nonsense. Friends, family, co-workers--they've all been tricked by Chelsea into believing stories of total foolishness and into behaving like total fools. Luckily, they've lived to tell the tales and, for the very first time, write about them.

In this raucous collection of true-life stories, Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You've either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. My Horizontal Life chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. My Horizontal Life is one guilty pleasure you won't be ashamed to talk about in the morning.

The comedienne star of the Chelsea Handler Show describes her experiences with misbegotten boyfriends, her eccentric mixed-religion parents and the working world, a lifetime marked by numerous inebriated misadventures. Reprint. A #1 best-seller.

#1 NEW YORK TIMES BESTSELLER • The funny, sad, super-honest, all-true story of Chelsea Handler's year of self-discovery—featuring a nerdily brilliant psychiatrist, a shaman, four Chow Chows, some well-placed security cameras, various family members (living and departed), friends, assistants, and a lot of edibles A SKIMM READS PICK • “This will be one of your favorite books of all time.”—Amy Schumer In a haze of vape smoke on a rare windy night in L.A. in the fall of 2016, Chelsea Handler daydreams about what life will be like with a woman in the White House. And then Donald Trump happens. In a torpor of despair, she decides that she’s had enough of the privileged bubble she’s lived in—a bubble within a bubble—and that it’s time to make some changes, both in her personal life and in the world at large. At home, she embarks on a year of self-sufficiency—learning how to work the remote, how to pick up dog shit, where to find the toaster. She meets her match in an earnest, brainy psychiatrist and enters into therapy, prepared to do the heavy lifting required to look within and make sense of a childhood marked by love and loss and to figure out why people are afraid of her. She becomes politically active—finding her voice as an advocate for change, having difficult conversations, and energizing her base. In the process, she develops a healthy fixation on Special Counsel Robert Mueller and, through unflinching self-reflection and psychological excavation, unearths some glittering truths that light up the road ahead. Thrillingly honest, insightful, and deeply, darkly funny, Chelsea Handler’s memoir keeps readers laughing, even as it inspires us to look within and ask ourselves what really matters in our own lives. Praise for Life Will Be the Death of Me “You thought you knew Chelsea Handler—and she thought she knew herself—but in her new book, she discovers that true progress lies in the direction we haven’t been.”—Gloria Steinem “I always wondered what it would be like to watch Chelsea Handler in session with her therapist. Now I know.”—Ellen DeGeneres “I love this book not just because it made me laugh or because I learned that I feel the same way about certain people in politics as Chelsea does. I love this book because I feel like I finally really got to know Chelsea Handler after all these years. Thank you for sharing, Chelsea!”—Tiffany Haddish

As a young kid growing up in a farm town, Ross Mathews might as well have wished for a pet unicorn or a calorie-free cookie tree to grow in his front yard. Either of those far-fetched fantasies would have been more likely to come true than his real dream: working in television in Hollywood, California. Seriously, that stuff just doesn't happen to people like Ross. But guess what. It totally did. Now, with his first book, Ross takes us inside his journey as a super-fan, revealing the most embarrassing and hilarious moments of his small-town life and big-city adventures. From learning to swear like a hardened trucker to that time in high school when had to face down the most frightening opponent of all (his girlfriend's lady bits), Ross holds nothing back. Oh, then there's his surprisingly shady past involving the cutest pair of plus-sized women's pajama bottoms, deliciously dangerous pot butter, and embezzled sandwiches. And, of course, how he's managed to turn an obsession with pop-culture into one-on-one interactions with celebrities like Gwyneth Paltrow, Tiffani-Amber Theissen, Madonna, Michelle Kwan, and countless more without ever having a single restraining order issued against him. Infused with Ross's trademark humor, unique voice, and total honesty, MAN UP! is a mission statement for anyone who doesn't fit the mold. His hasn't been the most traditional way to build a career in Hollywood, but Ross has somehow managed to make his mark without ever compromising who he is. He is as serious about this as he is about Golden Girls trivia: You don't need to change who you are to achieve your dreams (although there's nothing wrong with a makeover every now and then). You just need to Man Up!
