The situation is the same also in Tiaty Sub-County where enrolment and retention is a problem owing ... with schools being more than 10kms apart. How can you expect a pupil to walk to another ...

The Adventure Begins.....My name is Gabrielle Martin. And before I discovered that the scarlet pendant I received on my birthday was not just any ordinary pendant but a crazy weird talisman and lifeline to my supernatural powers; the only major thing that I cared about was starting my freshman year at Vineswell Academy. But that was way before finding out that everything that I had known about my life was a lie....essentially smoke-and-mirrors designed to hide the truth about my powerful supernatural legacy.

This review book contains 1,000 questions that mimic the in-service residency exam and board exam in emergency medicine. Questions are divided into 10 tests of 100 questions each, and each test covers all areas of emergency medicine- internal medicine and surgery specialty areas, dentistry, trauma, obstetrics, pediatrics, toxicology, environmental medicine, radiology, dermatology, EMS, and bioterrorism. Questions are case-based and 10% involve interpreting an image. Answers are included, along with concise explanations of the correct and incorrect answer choices. A companion Website presents cases, images, and questions that mimic the emergency medicine board exam and the in-service exam. Answers are included, along with concise explanations of the correct and incorrect answer choices, to help readers identify their strengths and weaknesses.

The 250th anniversary of the founding of Rutgers University is a perfect moment for the Rutgers community to reconcile its past, and acknowledge its role in the enslavement and debasement of African Americans and the disfranchisement and elimination of Native American people and culture. Scarlet and Black, Volume One documents the history of Rutgers's connection to slavery, which was neither casual nor accidental--nor unusual. Like most early American colleges, Rutgers depended on slaves to build its campuses and serve its students and faculty; it depended on the sale of black people to fund its very existence. Scarlet and Black, Volume Two continues the work of the Committee on Enslaved and Disenfranchised Population in Rutgers History. This latest volume includes an introduction to the period from the end of the Civil War through WWII, a study of the first black students at Rutgers and New Brunswick Theological Seminary, and profiles of the earliest black women to matriculate at Douglass College. Scarlet and Black, Volume Three concludes this groundbreaking documentation and includes essays about Black and Puerto Rican students' experiences; the development of the Black Unity League; the Conklin Hall takeover; the divestment movement against South African apartheid; anti-racism struggles during the 1990s; and the Don Imus controversy and the 2007 Scarlet Knights women's basketball team. Scarlet and black are the colors Rutgers University uses to represent itself to the nation and world. They are the colors the athletes compete in, the graduates and administrators wear on celebratory occasions, and the colors that distinguish Rutgers from every other university in the United States. This body of work, however, uses these colors to signify something else: the blood that was spilled on the banks of the Raritan River by those dispossessed of their land and the bodies that labored unpaid and in bondage so that Rutgers could be built and sustained. The contributors to these volumes offer this history as a usable one--not to tear down or weaken this very renowned, robust, and growing institution--but to strengthen it and help direct its course for the future. To learn more about the work of the Committee on Enslaved and Disenfranchised Population in Rutgers History, visit the project's website at <http://scarletandblack.rutgers.edu>.

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.
