MY LITTLE RED BOOK is an anthology of stories about first periods, collected from women of all ages from around the world. The accounts range from light-hearted (the editor got hers while water skiing in a yellow bathing suit) to heart-stopping (a first period discovered just as one girl was about to be strip-searched by the Nazis). The contributors include well-known women writers (Meg Cabot, Erica Jong, Gloria Steinem, Cecily von Ziegesar), alongside today's teens. And while the authors differ in race, faith, or cultural background, their stories share a common bond: they are all accessible, deeply honest, and highly informative. Whatever a girl experiences or expects, she'll find stories that speak to her thoughts and feelings. Ultimately, MY LITTLE READ BOOK is more than a collection of stories. It is a call for a change in attitude, for a new way of seeing periods. In a time when the taboo around menstruation seems to be one of the few left standing, it makes a difficult subject easier to talk about, and helps girls feel proud instead of embarrassed or ashamed. By revealing what it feels like to undergo this experience first hand, and giving women the chance to explain their feelings in their own words, it aims to provide support, entertainment, and a starting point for discussion for mothers and daughters everywhere. It is a book every girl should have. Period.

mysterious Dreagan Industries, is an irresistible lure for the Dragon King, a dangerous man who has not seen or touched a woman for centuries. Original.

Cold, arrogant, and demanding Henry Eldridge, Marquess of Riverton, would never dally with a mere servant. But when Henry is injured in a horrible fire, his pretty housekeeper Cassandra nurses him back to health, throwing them together day and night. As he slowly heals from his burns, their friendship blossoms, and the class walls between them start to crumble. Cassandra is surprised by glimpses of a kind and thoughtful man beneath her employer's hard façade—and even more surprised when she develops tender feelings for him. But anything between lord and servant is impossible...and besides, as a widow, she knows love only leads to heartbreak. Henry is changing, as well. His close brush with death has opened his eyes to his self-imposed emotional isolation...and has urgently reminded him of his duty to marry a well-bred lady and produce an heir. Determined to do right by his family name, he immediately begins searching for a suitable bride. But Cassandra is the only woman who is never far from his mind or his heart. Contrary to everything he's been taught to believe, he realizes his lovely housekeeper might just be his perfect match. Now, if only he could convince everyone else of that. Especially Cassandra...
