A policy and procedure manual is required for UCA Accreditation and Certification, as well as other licensing and regulatory bodies. Having a policy and procedure manual helps better prepare your urgent care center for the changing legal and regulatory climate and provide tools that prepare your staff to respond confidently, appropriately and consistently to business and patient circumstances.

Advance Urgent Care accepts most commercial insurance plans. When you seek our services and have insurance, you will be responsible for your urgent care co-payment at the time of service. We then bill your insurance for the services rendered, and if there are any charges not covered by your insurance, these become your responsibility.

Office based procedures (OBP) are integral and fundamental to the practice of ambulatory medicine. A survey I conducted in 2000 in Sacramento area clinics revealed that there is a perceived disparity between the adequacy of training that primary care physicians receive in OBP/MM and the need to offer OBP, musculoskeletal evaluation or treatment.
