JavaScript--the powerful, object-based scripting language that can be embedded directly into HTML pages--has earned its place in the web developer's toolkit, to the extent that it's now considered required knowledge for web developers. You can use JavaScript to create dynamic, interactive applications that run completely within a web browser. JavaScript is also the language of choice for developing

Get Free Usermanual Gigaset As140

Dynamic HTML content. Because its syntax is based on the popular programming languages C, C++, and Java, JavaScript is familiar and easy to learn for experienced programmers. At the same time, it's an interpreted scripting language, providing a flexible, forgiving programming environment for new programmers. The JavaScript Pocket Reference, 2nd Edition, provides a complete overview of the core JavaScript language and client-side scripting environment, as well as quick-reference material on core and client-side objects, methods, and properties. The new edition has been revised to cover JavaScript 1.5, and is particularly useful for developers working with the standards-compliant web browsers, such as Internet Explorer 6, Netscape 7, and Mozilla. Ideal as an introduction for beginners and a quick reference for advanced developers, this pocket-sized book is easy to take anywhere and serves as the perfect companion volume to the bestselling JavaScript: The Definitive Guide, 4th Edition. O'Reilly's Pocket References have become a favorite among developers everywhere. By providing a wealth of important details in a concise, well-organized format, these handy books deliver just what you need to complete the task at hand. When you've reached a sticking point and need to get to the answer quickly, the new JavaScript Pocket Reference is the book you'll want close at hand.

Dieses erste Wörterbuch polnischer Neologismen ist ein Gemeinschaftswerk

Get Free Usermanual Gigaset As140

zwischen dem Arbeitsbereich Polnisch am Fachbereich Angewandte Sprach- und Kulturwissenschaft der Universität Mainz in Germersheim und dem Institut für Polnische Sprache der Universität Warschau. Es registriert die lexikalischen Veränderungen in der polnischen Sprache der letzten 15-20 Jahre, insgesamt werden ca. 3 500 neue Wörter, Wortverbindungen, Phraseologismen und Neubedeutungen erfasst und beschrieben. Diese wurden durch einen systematischen Wörterbuchvergleich und durch Nutzung elektronischer Korpora sowie des Internets ermittelt. Alle Stichwörter werden mit aktuellen Beispielen aus der Presse und insbesondere aus dem Internet belegt. Durch die Angabe der deutschen Entsprechungen ermöglicht das Wörterbuch einen umfassenden Einblick in die Gemeinsamkeiten und Unterschiede im neuesten Wortschatz des Polnischen und Deutschen und stellt zugleich ein Supplement zu den polnisch-deutschen Wörterbüchern dar, die sehr oft nicht den aktuellsten Entwicklungsstand der Lexik widerspiegeln.

The rollicking sequel to Fortune's Pawn -- an action packed science fiction novel. Devi Morris has a lot of problems. And not the fun, easy-to-shoot kind either. After a mysterious attack left her short several memories and one partner, she's determined to keep her head down, do her job, and get on with her life. But even though Devi's not actually looking for it -- trouble keeps finding her. She sees things no one else can, the black stain on her hands is growing, and she is entangled with the cook she's supposed to hate. But when a deadly crisis exposes

far more of the truth than she bargained for, Devi discovers there's worse fates than being shot, and sometimes the only people you can trust are the ones who want you dead.

Updated for both Python 3.4 and 2.7, this convenient pocket guide is the perfect on-the-job quick reference. You'll find concise, need-to-know information on Python types and statements, special method names, built-in functions and exceptions, commonly used standard library modules, and other prominent Python tools. The handy index lets you pinpoint exactly what you need. Written by Mark Lutz—widely recognized as the world's leading Python trainer—Python Pocket Reference is an ideal companion to O'Reilly's classic Python tutorials, *Learning Python* and *Programming Python*, also written by Mark. This fifth edition covers:

- Built-in object types, including numbers, lists, dictionaries, and more
- Statements and syntax for creating and processing objects
- Functions and modules for structuring and reusing code
- Python's object-oriented programming tools
- Built-in functions, exceptions, and attributes
- Special operator overloading methods
- Widely used standard library modules and extensions
- Command-line options and development tools
- Python idioms and hints
- The Python SQL Database API

The Field is John B. Keane's fierce and tender study of the love a man can have for land and the ruthless lengths he will go to in order to obtain the object of his desire. It is dominated by Bull McCabe, one of the most famous characters in Irish

writing today. An Oscar-nominated adaptation of *The Field* proved highly successful and popular worldwide, and starred Richard Harris, John Hurt, Brenda Fricker and Tom Berenger.

In *Love Smart: Find the One You Want -- Fix the One You Got*, bestselling author Dr. Phil tells people who are dissatisfied with their love lives to stop making excuses and start taking action. You deserve a committed relationship, and it is within your control to have the one you want. First, though, you need to determine what you want in a partner, plot your course, and get out there and create velocity in your pursuit of a loving connection. In this book you'll learn to: Present the real you in the most flattering light. You have to stop being your own best kept secret. Peek behind the male curtain. Dr. Phil tells you things about men that they don't necessarily want you to know. How good is your Guy-Q? Master the right moves. Don't fade into the wallpaper; get noticed and get involved. If you are already coupled up then learn how to grow and nurture what you have built. Bag 'em, tag 'em and take 'em home. Learn how to negotiate the relationship you desire and then close the deal. Get out of your relationship rut. The daily grind, money problems, work, etc., can take their toll on your relationship. Dr. Phil shows you how to assess the state of your union and take your relationship to a deeper level. There are no exceptions: There is somebody for everybody, and everybody deserves a relationship filled with love and excitement. *Love Smart: Find the One You Want -- Fix the One You Got* offers you the plan to find not just any relationship
