Start by marking “Vacant (Mindspace Investigations, #4)” as Want to Read: ... Originally published at Reading Reality Alex Hughes’ Mindspace Investigations is a series that absolutely requires starting at the very beginning. (This seems to be my week for that.) If the idea of an urban fantasy series that reads like a marvelously twisted ...

*Vacant (Mindspace Investigations, #4) by
Alex Hughes*

Hughes uses the story to add more detail to the world of Mindspace Investigations. Vacant is more of a side story. It adds a lot to the series but most of the action is there to set the stage for the next chapter in the lives of Adam and Cherabino. While this could stand alone I recommend reading the other novels in the series first.
