## **About | valaida**

If fate had not seemingly conspired against her, Valaida Snow might well be counted among the greatest entertainers of the early 20th century; instead, she remains little known outside of an avid cult following.

## **Valaida Snow | Biography & History | AllMusic**

Valaida Snow is wonderfully portrayed in this novel throughout her life, from the independent young girl with itchy feet to the weathered mature lady who's seen it all. She is a character who is easy to relate to, though her circumstances are drastically

different to any reader's.

Valaida listened hard. After the melody's intro and Earl's left-hand-to-right-hand cascades of piano sound, her space opened, and Valaida jumped in. She blew. She entered the music, saw the chords, embellishes, the references to other songs as plain as day behind her eyeballs, and she used them. She jumped from bar to bar like a benzine-fueled billy goat.

Valaida was a pleasure to work with and understood what our goals were for the conference and its participants. She used her social media channels to help us publicize the offering to staff and board leaders in nonprofits and to build buzz about her session and the conference." Trisha Lester, Vice President, North Carolina Center for Nonprofits
