With a power rating of 16 horsepower, this engine features a premium Dual Clean air filtration system, electric starter, and maintenance-free Magnetron electronic ignition. With a manufacturer limited warranty of 3 years consumer use / 3 years commercial use, Vanguard provides power that you can trust.

Vanguard 16.0 Gross HP 479 CC Engine [305447-3079-G1] for ...

This is also a good way to tell if you have a 14HP or 16HP Vanguard (I know, it usually says the HP on the air cleaner decal or you can trace it by the engine ID tag). The 14HP and 16HP are both 480cc engines and are pretty much the same with 2 minor differences. First, the 16HP has a slightly larger carburetor venturi.

Vanguard Engines | Briggs & Stratton

Hi, my 16 hp Vanguard engine (v-twin) recently began to idle roughly (engine would not maintain a constant idle speed). Tried some spray carb cleaner - no good. I'm thinking I have to remove carb and give it a good cleaning, but never worked on one of these engines. Looks like I have to disassemble a good part of the engine in order to remove ...

And stop going on witch hunts against things just because they have a scary name that you don't recognize even though you've ...

Find of the day, Toro Workman 2100 - TractorByNet

Hi everybody im new to the site. I own a 1980 s argo 6x6 with a 16 hp briggs and stratton engine in it. I want to swap this engine to a 700 rotax but im wondering if this is too big of an engine for the running gear or if the 700 will overheat because it is air cooled? Any input at all will greatly be appreciated , thanks everyone!
