"Lodusky" by Frances Hodgson Burnett. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

First published in 1981, this book has long been recognized as the ‘bible of Scalextric’, providing a complete catalogue of the cars and equipment produced. Now, for this seventh edition, the book has undergone a transformation, with a complete redesign and masses of new information about cars, sets and accessories produced around the world. As well as extra detail about earlier periods, there is full coverage of all the new Scalextric products launched in the four years that have elapsed since the previous edition. Now containing nearly 1,000 photographs, this book has become an extraordinarily detailed summary of everything in the world of Scalextric, written by an author who has been captivated by the subject for nearly 50 years.

Now available in paperback! Lewis captures the wide variety of famous and obscure British car makers in this unique encyclopedic collection. Brief histories plus descriptions, specs, performance figures, production numbers and dates, and photographs combine to deliver this classic look at the variety of British-manufactured cars of the 1980s. Contains production numbers and dates, specs, body types, and historical notes on all makes.
