Daniel and his friends, the Supers, face new foes when the town of Noble Green opens a school for super powered kids that include a new gang of villains called the Nobles. The Nobles have destruction on their mind as several places in town like the ice cream parlor and the regular high school are damaged and it brings bad will from the townspeople to all the supers whether they are involved or not.

The truth about the Super children—who have real powers like flight and super strength—is finally exposed, and the town of Noble's Green has created a special boarding school for its superpowered children. That's where all Daniel's friends are headed, while he—regular kid that he is—is headed to summer school.
