Students build their vocabulary and sharpen their word-study skills as they complete fun, independent puzzles and activities. Each book includes 10 word-building activity packets, ready to reproduce for independent work or homework. Activity packets provide fun, repeated practice that makes new words stick! Boosts vocabulary and word-knowledge for success on tests. Ready-to-copy materials save planning time.

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes. In addition to the student pages, the teacher's information section includes: an extensive listing of the most common prefixes, root words, and suffixes; their meanings and sample words; additional words for each lesson; and lesson ideas to supplement the word being studied. For older students, use Red Hot Root Words, Book 2. Grades 3-5

Expand your students' vocabulary and improve test scores with 500 Prefixes, Suffixes, and Stems Super Fun Sheets. The best way to determine the meaning of a word you don't know is to break it down into simpler parts. If you know what the parts mean, then it's easier to decode the definition of the full word. This 328-page companion book to the 500 Prefixes, Suffixes, and Stems Fun Deck provides multiple contexts for students to learn and remember Greek, Latin, and other word parts (agro, cogn, hum, mega, ped, syn, etc.). Two example words, along with sample sentences and an illustration, help reinforce the meaning of each prefix, suffix, or stem. Each of the 50 chapters in this book contains six worksheets you can easily copy. The word parts appear alphabetically in the book so you can easily coordinate your instruction with the Fun Deck. Extension activities ask students to: write the meanings of common prefixes, suffixes, and stems answer multiple-choice and fill-in-the-blank exercises read and respond to paragraphs containing example words write sentences to show their understanding of each lesson's words Also, each chapter ends with a quiz for you to use as either a test or student review. The answer key, located at the back of the book, makes checking students' work quick and easy.

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes. Receive a discounted price of \$2.99 per book when 10 or more copies are ordered, see item #8159! These flexible assessments can be used both in correlation with the Primary Sources kits or as stand-alone practice pieces for a variety of standardized tests. The Student Edition contains an assessment with the following types of questions: multiple choice, constructed-response, and documents leading to a DBQ (Document-Based Question) task. BOOK 1-9 COPIES.

Deepens the understanding of the printed word through the fascinating world of morphology. Systematic, structured lessons explicitly teach students the meanings of the building blocks of language so that they can grasp new words and their meanings with ease and confidence.

The national standards require that students beginning at fourth grade use their knowledge of prefixes and suffixes to determine the meaning of words. Each of the 30 units in this resource includes a word list, vocabulary sort cards, review game cards, and a vocabulary quiz. Students will learn over 300 vocabulary words and become more comfortable "dissecting" words and defining their parts.

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin prefixes, root words, and suffixes. This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This book, the second in a two-book series, contains three sections (prefixes, root words, and suffixes), but each section has the same format. Each of the lessons include: two to four prefixes, suffixes, or root words along with meanings and sample words; 10 new vocabulary words that use these word parts; definitions and sample sentences for each new word; and a one-page worksheet that presents a variety of ways to apply knowledge and expand understanding of the definitions and uses of the word parts. In addition to the extensive student section, this book includes considerable reference material to help the instructor. This includes: a comprehensive listing of prefixes, root words, and suffixes; their meanings and sample words; extra words to use with each lesson; open-ended worksheets that can be used with any lesson; and additional lesson ideas to supplement your word study. For younger students, use Red Hot Root Words, Book 1. Grades 6-9

Prefixes and suffixes are the building blocks of more complex words that young readers begin to encounter as they move up in grade level. This age-appropriate text teaches readers how to recognize words and decipher unfamiliar ones, an essential word analysis skill. Students will learn how to build complex words using prefixes and suffixes, and will delight seeing how their vocabulary grows with each newly created word. Helpful language charts, a quiz question on each spread, engaging visuals, a glossary, and index all help to solidify this concept in readers' minds.

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.
