Since 1956, informed Mercedes-Benz owners have relied upon The Star, the magazine of the Mercedes-Benz Club of America, for advice about maintenance, service and repair of their cars. For over 25 years Rob Siegel has written a monthly column called "The Hack Mechanic" for the BMW Car Club of America's magazine Roundel. In Memoirs of a Hack Mechanic, Rob Siegel shares his secrets to buying, fixing, and driving cool cars without risking the kids' tuition money or destroying his marriage. And that's something to brag about considering the dozens of cars, including twenty-five BMW 2002s, that have passed through his garage over the past three decades. With a steady dose of irreverent humor, Memoirs of a Hack Mechanic blends car stories, DIY advice, and cautionary tales in a way that will resonate with the car-obsessed (and the people who love them).

The Pastor's Handbook (KJV) is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the: worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation.

Filled with the inside stories that make up the exciting and innovative history of the Mercedes-Benz M-Class from its origins in Germany to its production at a newly constructed plant in America. In less than five years, Mercedes-Benz went from initial designs to complete production. The entire construction will take place in a new factory in Alabama. If you have struggled personally against the powerful draw of pornography, or if you have ever tried to help someone fighting this battle, you know how hard it is to break free. But real freedom isn't found by trying harder to change. Nor is it found in a particular method or program. Only Jesus Christ has the power to free people from the enslaving power of pornography. In Finally Free, Dr. Heath Lambert, a leader in the biblical counseling movement, lays out eight gospel-centered strategies for overcoming the deceitful lure of pornography. Each chapter clearly demonstrates how the gospel applies to this particular battle and how Jesus can move readers from a life of struggle to a life of purity. If you or someone you care about is fighting this battle, there is good news: No matter how intense or long-standing the struggle, Jesus Christ can, will, and does set people free from the power of pornography.

Disheartening numbers of women have undergone an abortion—and they need help to heal emotionally and spiritually. This study was developed out of Linda Cochrane's own experience of being freed from the bondage of guilt and grief that followed her abortion. Forgiven and Set Free guides suffering and hurting women to bring their emotional scars from abortion "out of the dark past and into his holy light," where true and lasting healing can take place. Appropriate Scriptures help women deal with issues such as relief, denial, anger, forgiveness, depression, letting go, and acceptance.

Three barriers keep us from being whole persons: (1) inability to receive forgiveness; (2) inability to forgive; (3) inability to accept ourselves.
