First Review Warhammer 40k 6th
Edition Mini

Warhammer 40,000 6th edition was released in June 2012. As with 4th and 5th Edition before it, it's essentially an extension of the 3rd Edition ruleset. change as 2 nd to 3 rd did, it did make some major changes to the core rules themselves as GW had changed its philosophy at this time. Instead of their norm from the earlier editions, 6th edition added rules to the game instead of either removing them or streamlining them.
