Alaysha is a Water Witch who can kill people by taking the water from them and the earth. Alaysha is treated bad by everyone around her including her father. She doesn't know anything about her mothers family history until she meets Yenic, who then gives her information about he

Water Witch (Elemental Magic #1) by Thea Atkinson

Dark Moon Water: Water charged under the Dark Moon. While there is no moonlight during a Dark Moon, the energy of the moon is still potent. Dark Moon Water is best for hexes, curses, binding, and other otherwise "baneful" magic. On a lighter note, Dark Moon Water is excellent for justice spells, shadow work, protection magic, and death magic.

by Ceridwen. Water spells are a great way to get into elemental magic. They also serve important roles in magic for experienced Wiccans. One of the beautiful things about water is that it is everywhere. It is in the liquid we drink, the food we eat, the ground, the sky, and the air. We feel it when we wash our hands or walk in the rain or bathe. From snow drifts to the waves of the ocean to the bubbling of a brook, water provides us with some of the most magnificent feats of beauty the ...

~~Water Spells: Introductory Elemental Magic - Craft of Wicca~~

? Gerald R. Stanek The Elemental Witch, as the name implies, invokes elemental energies as an empowering force for magical goals. This is a very dynamic practice because, as we know, Mother Nature can be quite capricious. Consider how water nourishes in the form of rain but destroys in the form of a tsunami, or how a fire warms but also burns.

Leave a Comment / Water Magick / By witchwithme. By Julia Celeste | Instagram. Water is life. In addition to water's connection to the afterlife and the Otherworld across many spiritual practices, religions, and mythologies, it is associated with physical and spiritual purification. Due to water's ability to change shape and transform, it was connected with fertility and creation – well before science began to understand the biochemical link between life and water.

Witches can manipulate the water in many ways. Combined with weather spells they can bring the rain, but they can also manipulate the surrounding water to magically drown their victims or use it as a vehicle to transport their Specter even a mile away. The element of Water is represented by human emotions such as sorrow and sadness.
