~~What Does The Question Paper~~

A question paper is put together by an exam committee. The members of the committee are often teachers, who have developed assessment expertise as a result of working as examiners. The committee is made up of senior examiners including the chair of examiners for the subject, a chief examiner for the specification and a lead assessment writer for each question paper.

~~AQA | How exams work | How a question paper is created ...~~

Papers should be drawn from two to three paper setters and then a committee constituting educationists with the aforementioned qualities should decide on the final form of the question paper.

consolidation of knowledge and rehearsal of specific skills required in the examination.

Thus past papers may be a great resource, but need some careful consideration in their use.

~~Are past paper questions always useful?~~

Published on April 18, 2019 by Shona McCombes. Revised on June 5, 2020. The research question is one of the most important parts of your research project, thesis or dissertation. It ' s important to spend some time assessing and refining your question before you get started. The exact form of your question will depend on on the length of your project, the type of research, the topic, and the research problem.
