At 13+, Common Entrance consists of examinations in Mathematics (three papers: a (listening) mental mathematics paper, plus written non-calculator and calculator); English (two papers); and one paper each in Latin, Classical Greek, Geography, History, Religious Studies, plus either Physics, Chemistry and Biology or [combined?] Science. In addition, there is a choice of four modern languages: French, German, Mandarin, and Spanish, which are assessed by written, spoken and listening papers.

Common Entrance Examination - Wikipedia

A research paper is the culmination and final product of an involved process of research, critical thinking, source evaluation, organization, and composition. It is, perhaps, helpful to think of the research paper as a living thing, which grows and changes as the student explores, interprets, and evaluates sources related to a specific topic.

Genre and the Research Paper // Purdue Writing Lab

Information shared by a cultural or national group, such as the names of famous heroes or events in the nation's history that are remembered and celebrated. Knowledge shared by members of a certain field, such as the fact that the necessary condition for diffraction of radiation of wavelength from a crystalline solid is given by Bragg's law. However, what may be common knowledge in one culture, nation, academic discipline or peer group may not be common knowledge in another.
