What the Family Needed (Sleepers Publishing 2011) by Steven Amsterdam is a beguiling take on the version of the family with superhuman powers – think The Incredibles but with literary aspirations. In this family drama / speculative fiction hybrid, we are taken on a journey over the decades with this family, each section from the point of view of a different character.

### What the Family Needed by Steven Amsterdam

Steven Amsterdam's novel, What the Family Needed plays with the idea of having a superpower get you through a tough time in your life. Each chapter in Amsterdam's novel focuses on a different family member and the time in which they received their super power. The powers are not something that the characters receive with surprise.

Steven Amsterdam 's award-winning 2009 debut, Things We Didn ' t See Coming, heralded the arrival of a richly comic, original and utterly assured new voice. In his second book, Amsterdam again deploys a discontinuous narrative technique, presenting us with a novel-in-stories related by different characters whose interior points of view continually shape our impressions.
