Buddha in the Waiting Room transcends the traditional boundaries of modern medical practice by taking some of the divinity out of the medical profession and empowering the person on the other side of the stethoscope. Dr. Paul Brenner draws on his perspective of more than 40 years in the medical profession to deliver a poignant and timely redefinition of health as a living process. This is a humorous and touching account of a logic-driven realist who is reluctantly transformed by the wisdom he finds in an unexpected place: the hearts and minds of those he has been entrusted to heal.

Bloom surveys with majestic view the literature of the West from the Old Testament to Samuel Beckett. He provocatively rereads the Yahwist (or J) writer, Jeremiah, Job, Jonah, the Iliad, the Aeneid, Dante's Divine Comedy, Hamlet, King Lear, Othello, the Henry IV plays, Paradise Lost, Blake's Milton, Wordsworth's Prelude, and works by Freud, Kafka, and Beckett. In so doing, he uncovers the truth that all our attempts to call any strong work more sacred than another are merely political and social formulations. This is criticism at its best. Table of Contents: 1. The Hebrew Bible 2. From Homer to Dante 3. Shakespeare 4. Milton 5. Enlightenment and Romanticism 6. Freud and Beyond Reviews of this book: Bloom's puissance is not entirely his own; for some of it, he is indebted to Nietzsche, Freud, Schopenhauer, Gershom Scholem, and other masters. But enough of it is his own to constitute a distinctive form of splendor. --Denis Donoghue, New York Review of Books Reviews of this book: The wit, the eclecticism and the gripping paradoxes...the force of [Bloom's] intellect carries the reader from pinnacle to pinnacle, showing a new spiritual landscape from each. --Roger Scruton, Washington Times Reviews of this book: In some ways the wildest of the wild men (and women), in some ways the most traditional of the traditionalists, Harold Bloom remains serene amid the turbulence--much of it caused by him. He stands dauntless, a party of one, as thrilling to behold up on the high wire as he is (at times) throttling to read on the page...From this strong critic dealing with these strong poets comes a potent mix of insight. --Mark Feeney, Boston Globe

" The newborn is conceived in that moment appropriately referred to as ' making love ' —a moment when formless love is made into manifest love. "

Suffering is worst when you're doing it alone. But Emma's taking Hell like an angel—even though her languishing began with having her seraph wings torn from her back. Now her worst enemy lords his body and his evil desires over her while she tries desperately to remember the words to her favorite prayer. As Devil, Jack used to have Hell and its women humming like well-oiled machines. Too bad he's nowhere near the place now. Stuck on Earth as a human, he must work with a ragtag team of exiled minions and half-breeds to save the angel who's become all that matters. Rescuing a seraph is the plan, but breaking into Hell means letting evil things out. Once they collide, minions and angels converge in the battle of the ages: good versus evil. But which side is which? Will Jack destroy the world as he fights to save Emma, his true and timeless love, from a damnation he designed? An action-packed sequel to Crushed Seraphim, this tale reveals-time and again-what happens when the heart's deepest desires break free. With a story both sizzling and sensual, emotional and enigmatic, Debra Anastasia invites readers to join a battle with nothing less than love on the line.
