Pneumaticos is made up of the Greek word "Pneuma" which means a current of air, breath or breeze. It is used to refer to the Spirit of God. The word "ticos" also means activity of. Therefore Pneumaticos means "of the Activities of the breath of God" or "the Activities of the Spirit of God" or "the Manifestation of the Holy Spirit". The Father and Our Lord Jesus Christ sent the Holy Spirit to complete the work and the purpose of God on earth. The Holy Spirit came fully to stay, do and complete His work on earth from the day of Pentecost as stated in Acts chapter two. It is worth noting that when the Holy Spirit came, He came upon the disciples of Jesus Christ, living in them and working in/with them through various manifestations. The earliest manifestations or activities of the Holy Spirit the disciple took note of was that the Holy Spirit manifested as rushing wind and tongues of fire. As the disciples were filled with the Spirit, they learnt and then ride on the wind of the Holy Spirit and this is known as Pneumaticos. Riding on the wind of the Holy Spirit means manifesting the Holy Spirit in every area of our Christian lives. Riding on the wind of the Spirit includes;-Being full of the Spirit (Acts 6:3) (Eph 5:18)-Living by the Spirit (Galatians 5:17)-Walking in the Spirit. (Galatians 5:25) (Galatians 5: 16)-Speaking by the Spirit (1 Cor 12:3)-Being led of the Spirit. (Galatians 5:18)-Operating with the gifts of the Spirit (1 Cor 12:7)-Bearing the fruits of the Spirit (Galatians 5:22)-Worshipping the Father in spirit by Spirit (John 4:24) The purpose of this book is introduce readers and seekers to the Holy Spirit with the aim of creating an avenue for them to encounter the Holy Spirit and develop an intimate relationship that will serve as their foundation for riding the wind of the Spirit and manifesting the Holy Spirit in every area of their lives. Did you know that the entire creation is waiting for us to manifest as God's sons? Romans 8:19 says "For the earnest expectation of the creature waiteth for the manifestation of the sons of God". Yes, the earth is eager for us to bring to fruition our godly identities. The book is tailored to help readers find their identity in Christ so they can reflect their godly identities in the world being the cities set on a hill that Jesus said cannot be hidden. If you are interested not only to be baptize by the Holy Spirit but desire to lead people to receive Spirit baptism with evidence of speaking in tongues or interested in being equipped to clearly hear the voice of the Lord, flow with the gifts of the Spirit and operate in the supernatural realm. If you are interested in receiving impartation and become activated for impactful ministry, then this book is a must read for you. I pray that you will encounter the Holy Spirit through this book as you read and your life and ministry will never be the same again.

Spirit Wind, a collaborative investigation into the works and person of the Holy Spirit, clearly and richly demonstrates diversity in theological perspectives but unity in the Christian faith. All theological discussions should aim at humbly respecting theological distinctiveness while sincerely encouraging theological conversations. Spirit Wind offers itself to achieve just that. Spirit Wind consists of nine chapters written by nine Chinese theologians, born in the Orient and trained in the West, who are now serving passionately as seminary professors in Australia, Singapore, Taiwan, or the United States. Each author endeavors to explain the person and works of the Holy Spirit not only from Chinese standpoints but also from biblical, historical, and cultural/pastoral perspectives, and yet all chapters are theological in nature. No theologian claims to capture all matters about the Spirit, but every author of this book is captivated by the powerful presence, sovereign freedom, and beautiful operations of the Holy Spirit. You will be, too!

The Persons of the Godhead are known by familial terms: God the Father, God the Son, and God the Holy Spirit. God the Holy Spirit? What part of the family tree is that? "Father" we understand. The term is full of emotional imprint and real life imagery. "Son" is equally comprehensible. "Spirit," however, leaves us grasping the air in our attempt to relate to Him. How do you hug a spirit? In painting a picture of Himself, the Holy Spirit wasn't content to be cast in singular hues. He has far too many dimensions to His personality for monochromatic expressions to do Him justice. His infiniteness required symbolic language that on the surface appears contradictory but in actuality works to provide us a glimpse of the breadth, length, depth, and height of His Being. Thus, He is wind and cloud, water and fire, oil and lamp, dove and eagle, to name a few. It is through this language of symbol that we are enabled to begin to grapple with the Third Person of the Trinity. How do you hug a spirit? Better to ask how the Spirit hugs you. It is my earnest hope and desire that you feel His embrace as you read this work. Includes illustrations, bibliography, and Scripture index.
