Eleven-year-old Alanna, who aspires to be a knight even though she is a girl, disguises herself as a boy to become a royal page, learning many hard lessons along her path to high adventure.

In The Colonel, Alanna Nash, the author of Golden Girl: The Story of Jessica Savitch, explores in depth the amazing story of Colonel Tom Parker, the man behind the legend and the myth of Elvis Presley. The result is a book that reads like the most riveting of real-life detective stories -- one that will completely change your view of Presley's life, success, and death. While scores of books have been written about Elvis Presley, this is the first meticulously researched biography of Tom Parker written by someone who knew him personally. And for anyone truly interested in the performer many consider the greatest and most influential of the twentieth century, it is impossible to understand how Elvis came to be such a phenomenon without examining the life and mind of Parker, the man who virtually controlled Elvis's every move. Alanna Nash has been covering the story of Elvis Presley and Colonel Tom Parker since the day of Presley's funeral in Memphis, Tennessee. She was the first journalist allowed to view Presley's body, a compelling and surprising sight. But the profile of Parker attending the funeral in a Hawaiian shirt and a baseball cap was even stranger, and led her to investigate the man behind the myth. It has been known for twenty years that Thomas Andrew Parker was, in fact, born in Holland as Andreas Cornelis van Kuijk. But Nash has dug much deeper and, in a masterpiece of reporting, unearthed never-before-seen documents, including Parker's army records and psychiatric evaluations, and the original police report of an unsolved murder case in Holland that lies at the heart of the Parker mystery. In the process of weighing the evidence, she answers the biggest riddle in the history of the music industry, as it becomes clear that every move Parker made in the handling of Elvis Presley -- from why he never allowed Elvis to perform in Europe, to why he didn't halt Elvis's drug use, to why he put him in so many mediocre movies, and even the Colonel's direction of Presley's army career -- was designed to protect Parker's own secrets. Filled with startling new material, her book challenges even the most familiar precepts of the Presley saga -- everything we presumed about Parker's handling of the world's most famous entertainer must now be reevaluated in the light of information Nash reveals about Parker, who cared little for Presley beyond what the singer could do to bolster the Colonel's precarious position as an illegal alien. Elvis Presley, as one of Parker's unwitting victims, paid a major price for the Colonel's past and his overwhelming need to be more important than his client. As a result, Presley was never allowed to reach his potential and died in drug-induced frustration over his stunted and mismanaged career. In this astonishing, impeccably written, and vastly entertaining book, Nash proves that the only figure in American popular culture as fascinating as Elvis Presley is Colonel Tom Parker, the man who shaped Elvis, who in turn helped shape us.

This pocket-sized handbook features all the skills a modern lady needs! This little gift book is packed with tips, tricks, and life hacks for women who need to know everything. With advice on etiquette and social situations, entertaining and cooking tips, do-it-yourself instructions, health information, self-defense techniques, and much, much more, this is the ultimate—but petite!—reference guide for go-getters, self-starters, and independent women everywhere. Featuring: · How to Ask for a Raise · Ten Stylish Pieces Every Woman Should Own · How to Throw a Football · Good Responses to Bad Pick-Up Lines · How to Host a Cocktail Party · How to Paralelel Park

You are just 10% human. For every one of the cells that make up the vessel that you call your body, there are nine impostor cells hitching a ride. You are not just flesh and blood, muscle and bone, brain and skin, but also bacteria and fungi. Over your lifetime, you will carry the equivalent weight of five African elephants in microbes. You are not an individual but a colony. Until recently, we had thought our microbes hardly mattered, but science is revealing a different story, one in which microbes run our bodies and becoming a healthy human is impossible without them. In this riveting, shocking, and beautifully written book, biologist Alanna Collen draws on the latest scientific research to show how our personal colony of microbes influences our weight, our immune system, our mental health, and even our choice of partner. She argues that so many of our modern diseases—obesity, autism, mental illness, digestive disorders, allergies, autoimmunity afflictions, and even cancer—have their root in our failure to cherish our most fundamental and enduring relationship: that with our personal colony of microbes. Many of the questions about modern diseases left unanswered by the Human Genome Project are illuminated by this new science. And the good news is that unlike our human cells, we can change our microbes for the better. Collen's book is a revelatory and indispensable guide. It is science writing at its most relevant: life—and your body—will never seem the same again.

Forced to Marry the Man She Danced with Only Once! Miss Arabella Gledhill's lonely upbringing has left her timid and ill-prepared to shine during her first season. But at four and twenty, her scheming aunt and uncle want her off their hands, pressing her to accept the first marriage proposal proffered. It's not the way Arabella dreamed it—what chance has she of finding a good, kind man who'll offer her heart's desire? Liam. Lord Kenwreck, has grown weary of his life of licentiousness, although he's in no rush to wear the parson's noose, despite the efforts of his mother and sister to find him a suitable match. So how is that, by the end of the season's first ball, he's kissed Miss Gledhill in front of the ton and now they're to wed? This hasty union is not what Liam imagined, especially when he vowed never to bring dishonour on his family like his cruel blackguard of a father. But married he must be, to this beautiful bride Town gossips have branded the Forgotten Heiress. Who has no experience of the world, let alone a man of the world such as he...

Enhance your yoga practice with this all-new expanded edition of the ultimate guide to the stories behind the most beloved poses of all time. Many yoga practitioners explore the benefits of yoga through its poses, but did you know that the magic and mystery of yoga lie within the power of yogic mythology? Myths of the Asanas was the first book to collect and retell the ancient tales of yogic myth to a modern audience, and has since become a beloved resource for yoga practitioners and instructors the world over. This expanded edition contains nine unheard stories about some of the yoga world's most beloved poses. The myths behind yoga's spiritual tradition have the power to help students of all levels realize their full potential. Understanding the subtle whimsy and power of the child while in child's pose gives us permission to recall forgotten dreams and find the power to manifest them now. Learning of the disabilities of the great sage Astavakra while attempting his arm-balance pose encourages us to understand how powerful we are when we recognize the strength that lies beyond any perceived limitations. Marveling at the monkey-god Hanuman's devotion to his best friend, Ram, keeps us in alignment with our integrity during the hanumanasana splits pose as we dig deeply to discover the source of spiritual strength within ourselves.

On her first tour as a knight errant, Alanna assumes a position of influence with a fierce desert tribe, makes some changes in the role of women in the society, and continues her own emotional development.

If you want to learn how to take 'where you are' and turn it into 'where you want to be', then this is your tool to get there. The Mental Breakdown is a book that will show you the tools you need to get anxiety out of the way, push hurt and disappointment off the table and give new life and renewed peace to your everyday existence.Let Alana use her own experiences of overcoming to help you move to a place you may have never thought you could achieve.She will guide you step-by-step through the process. She doesn't just encourage you with great stories and funny examples. She gives you a recipe to follow to get what you want.Alana believes that it's great to empower but leaving happy and excited without a plan to stay there is the last thing you need for you to be successful.

In this exciting book you'll find 104 games and activities for therapists, counsellors, teachers, and group leaders that teacher Anger Management, Coping Skills, Self-Discovery, Teamwork, Self-Esteem, and Communication Skills! Every game works as a unique tool to modify behaviour, build relationships, start discussions and address issues. Each activity is simple to follow, requires minimal resources, includes helpful discussion questions and of course is interactive and fun.

The second book in the New York Times bestselling series from the fantasy author who is a legend herself: TAMORA PIERCE. When they think you will fail . . . fail to listen. As the only female page in history to pass the first year of training to become a knight, Keladry of Mindelan is a force to be reckoned with. But even with her loyal circle of friends at her side, Kel's battle to prove herself isn't over yet. She is still trying to master her paralyzing fear of heights and keep up with Lord Wyldon's grueling training schedule. When a group of pages is trapped by bandits, the boys depend on Kel to lead them to safety. The kingdom's nobles are beginning to wonder if she can succeed far beyond what they imagined. And those who hate the idea of a female knight are getting desperate—they will do anything to thwart her progress. More timely than ever, the Protector of the Small series is Anti-Bullying 101 while also touching on issues of bravery, friendship, and dealing humanely with refugees against a backdrop of an action-packed fantasy adventure. "Tamora Pierce's books shaped me not only as a young writer but also as a young woman. She is a pillar, an icon, and an inspiration. Cracking open one of her marvelous novels always feels like coming home." —SARAH J. MAAS, #1 New York Times bestselling author "Tamora Pierce didn't just blaze a trail. Her heroines cut a swath through the fantasy world with wit, strength, and savvy. Her stories still lead the vanguard today. Pierce is the real lioness, and we're all just running to keep pace." —LEIGH BARDUGO, #1 New York Times bestselling author
