Wizard of the Crow Summary - eNotes.com

Addressing primarily a popular Kenyan audience that includes the nonliterate -- his works are often read aloud in bars -- Ngugi has perfected in *Wizard of the Crow* an art of radical simplicity, of sharply defined conflicts that, paradoxically, is less reductive than ostensibly more nuanced accounts of Africa proffered by historians and political analysts. At once an epic burlesque of a sick, lumbering state and a praise song to the manifold forms of African resilience, the phantasmagoric ...

The individual stories of characters both powerful and ordinary create a kaleidoscopic portrait of postcolonial Africa in the twentieth century, in a novel set in the Free Republic of Aburiria.

To honour the Ruler's birthday, the Free Republic of Aburiria set out to build a tower; a modern wonder of the world that will reach the gates of Heaven. But behind this pillar of unity a battle for control of the Aburirian people rages. Among the contenders- the eponymous *Wizard*, an avatar of folklore and wisdom; the corrupt Christian Ministry; and the nefarious Global Bank. Informed by traditional African storytelling, *Wizard of the Crow* is widely considered Ngugi wa Thiong'o's masterpiece.

One of Oprah.com's "17 Must-Read Books for the New Year" and O Magazine's "10 Titles to Pick up Now." "Exquisite in its honesty and truth and resilience, and a necessary chronicle from one of the greatest writers of our time. " —Chimamanda Ngozi Adichie, *The Guardian*, Best Books of 2016. "Every page ripples with a contagious faith in education and in the power of literature to shape the imagination and scour the conscience." —*The Washington Post* From one of the world's greatest writers, the story of how the author found his voice as a novelist at Makerere University in Uganda *Birth of a Dream Weaver* charts the very beginnings of a writer's creative output. In this wonderful memoir, Kenyan writer Ngũgĩ wa Thiong'o recounts the four years he spent at Makerere University in Kampala, Uganda—threshold years during which he found his voice as a journalist, short story writer, playwright, and novelist just as colonial empires were crumbling and new nations were being born—under the shadow of the rivalries, intrigues, and assassinations of the Cold War. Haunted by the memories of the carnage and mass incarceration carried out by the British colonial-settler state in his native Kenya but inspired by the titanic struggle against it, Ngũgĩ, then known as James Ngugi, begins to weave stories from the fibers of memory, history, and a shockingly vibrant and turbulent present. What unfolds in this moving and thought-provoking memoir is simultaneously the birth of one of the most important living writers—lauded for his "epic imagination" (*Los Angeles Times*)—the death of one of the most violent episodes in global history, and the emergence of new histories

and nations with uncertain futures.

In exile for more than twenty years, Ngugi wa Thiong'o has become one of the most widely read African writers of our time, the power and scope of his work garnering him international attention and praise. His aim in *Wizard of the Crow*, in his own words, nothing less than 'to sum up Africa of the twentieth century in the context of 2,000 years of world history.' Commencing in 'our times' and set in the 'Free Republic of Aburiria', the novel dramatises with corrosive humour and keenness of observation a battle for control of the souls of the Aburirian people. Fashioning the stories of the powerful and the ordinary into a dazzling mosaic, Ngugi reveals humanity in all its ceaselessly surprising complexity. Informed by richly enigmatic traditional African storytelling, *Wizard of the Crow* is a masterpiece, the crowning achievement in Ngugi wa Thiong'o's career thus far.

Born in 1938 in rural Kenya, Ngũgĩ wa Thiong'ó came of age in the shadow of World War II, amidst the terrible bloodshed in the war between the Mau Mau and the British. The son of a man whose four wives bore him more than a score of children, young Ngũgĩ displayed what was then considered a bizarre thirst for learning, yet it was unimaginable that he would grow up to become a world-renowned novelist, playwright, and critic. In *Dreams in a Time of War*, Ngũgĩ deftly etches a bygone era, bearing witness to the social and political vicissitudes of life under colonialism and war. Speaking to the human right to dream even in the

worst of times, this rich memoir of an African childhood abounds in delicate and powerful subtleties and complexities that are movingly told.

A New York Times Editors' Choice "A welcome addition to the vast literature produced by jailed writers across the centuries . . . [a] thrilling testament to the human spirit." —Ariel Dorfman, The New York Times Book Review "Wrestling with the Devil is a powerful testament to the courage of Ngũgĩ and his fellow prisoners and validation of the hope that an independent Kenya would eventually emerge." —Minneapolis Star Tribune "The Ngũgĩ of Wrestling with the Devil called not just for adding a bit of color to the canon's sagging shelf, but for abolition and upheaval." —Bookforum An unforgettable chronicle of the year the brilliant novelist and memoirist, long favored for the Nobel Prize, was thrown in a Kenyan jail without charge Wrestling with the Devil, Ngũgĩ wa Thiong'o's powerful prison memoir, begins literally half an hour before his release on December 12, 1978. In one extended flashback he recalls the night, a year earlier, when armed police pulled him from his home and jailed him in Kenya's Kamĩĩ Maximum Security Prison, one of the largest in Africa. There, he lives in a prison block with eighteen other political prisoners, quarantined from the general prison population. In a conscious effort to fight back the humiliation and the intended degradation of the spirit, Ngũgĩ—the world-renowned author of Weep Not, Child; Petals of Blood; and Wizard of the Crow—decides to write a novel on toilet paper, the only paper to which he has access, a book that will become his classic, Devil on the Cross. Written in the

early 1980s and never before published in America, *Wrestling with the Devil* is Ngũgĩ's account of the drama and the challenges of writing the novel under twenty-four-hour surveillance. He captures not only the excruciating pain that comes from being cut off from his wife and children, but also the spirit of defiance that defines hope. Ultimately, *Wrestling with the Devil* is a testimony to the power of imagination to help humans break free of confinement, which is truly the story of all art.

A dazzling short story collection from the person Chimamanda Ngozi Adichie calls "one of the greatest writers of our time" Ngũgĩ wa Thiong'o, although renowned for his novels, memoirs, and plays, honed his craft as a short story writer. From "The Fig Tree," written in 1960, his first year as an undergraduate at Makerere University College in Uganda, to the playful "The Ghost of Michael Jackson," written as a professor at the University of California, Irvine, these collected stories reveal a master of the short form. Covering the period of British colonial rule and resistance in Kenya to the bittersweet experience of independence—and including two stories that have never before been published in the United States—Ngũgĩ's collection features women fighting for their space in a patriarchal society, big men in their Bentleys who have inherited power from the British, and rebels who still embody the fighting spirit of the downtrodden. One of Ngũgĩ's most beloved stories, "Minutes of Glory," tells of Beatrice, a sad but ambitious waitress who fantasizes about being feted and lauded over by the middle-class clientele in the city's beer

halls. Her dream leads her on a witty and heartbreaking adventure. Published for the first time in America, *Minutes of Glory and Other Stories* is a major literary event that celebrates the storytelling might of one of Africa's best-loved writers.

Spring 1989. Three young people leave their far-flung birthplaces to follow their own songs of migration. Each ends up in Montreal, each on a voyage of self-discovery, dealing with the mishaps of heartbreak and the twisted branches of their shared family tree. Filled with humor, charm, and good storytelling, this novel shows the surprising links between cartography, garbage-obsessed archeologists, pirates past and present, a mysterious book with no cover, and a broken compass whose needle obstinately points to the Aleutian village of Nikolski (a minuscule village inhabited by thirty-six people, five thousand sheep, and an indeterminate number of dogs).
