But good words can provide more than just insight—they can actually move you to act. The Ultimate Book of Inspiring Quotes for Kids presents a unique and compelling collection of child-friendly wisdom from many historical greats, including Plato and Albert Einstein, as well as modern leaders, such as Nelson Mandela and Oprah Winfrey. Words can change people—and, ultimately, the world. In order to grow into their best selves, children need inspiration. They need positive influences to counterbalance to the negative words, role models, and behaviors that too often surround them. A great addition to any classroom, home library, or child's bedside, this compilation is organized by themes that range from courage to education to friendship. Each section begins with a brief introduction that relates the topic to kids and explains why it's important to make this value a habit. Thanks to an engaging, uplifting, and easy-to-read style, children and adults alike will enjoy poring over these empowering pages again and again—especially with gems like Helen Keller's "When we do the best that we can, we never know what miracle is wrought in our life, or in the life of another."
