manufacturing, modelling and simulation, and robotics, the book will be a valuable resource for readers wishing to embrace the new era of Industry 4.0.

In the run-up to the Malaysian General Elections, the Board felt that the country was under threat. The Board blamed human rights activists and other liberal movements for sowing discord. As a Malaysia Day gift to the nation, the Prime Minister abolished some draconian laws — but the Board had other plans. The Board engaged a shadowy trio called MAC (Maestro, Architect, Choreographer) to bring back the GODs. In executing their plans, an Ex-Special Force personnel named Reyza was brought in to
