In her humorous memoir, Yes Please (2014), Amy Poehler shares stories about her personal life, offering readers serious and not-so-serious life advice. Eagerly anticipated, the book won the 2014 Goodreads Choice Award for Humor and was nominated for the 2016 Grammy Award for Best Spoken Word Album.

#1 NEW YORK TIMES BESTSELLER Do you want to get to know the woman we first came to love on Comedy Central's Upright Citizens Brigade? Do you want to spend some time with the lady who made you howl with laughter on Saturday Night Live, and in movies like Baby Mama, Blades of Glory, and They Came Together? Do you find yourself daydreaming about hanging out with the actor behind the brilliant Leslie Knope on Parks and Recreation? Did you wish you were in the audience at the last two Golden Globes ceremonies, so you could bask in the hilarity of Amy's one-liners? If your answer to these questions is "Yes Please!" then you are in luck. In her first book, one of our most beloved funny folk delivers a smart, pointed, and ultimately inspirational read. Full of the comedic skill that makes us all love Amy, Yes Please is a rich and varied collection of stories, lists, poetry (Plastic Surgery Haiku, to be specific), photographs, mantras and advice. With chapters like "Treat Your Career Like a Bad Boyfriend," "Plain Girl Versus the Demon" and "The Robots Will Kill Us All" Yes Please will make you think as much as it will make you laugh. Honest, personal, real, and righteous, Yes Please is full of words to live by.

IN A PERFECT WORLD... We'd get to hang out with Amy Poehler, watching dumb movies, listening to music, and swapping tales about our coworkers and difficult childhoods. Because in a perfect world, we'd all be friends with Amy -- someone who seems so fun, is full of interesting stories, tells great jokes, and offers plenty of advice and wisdom (the useful kind, not the annoying kind you didn't ask for, anyway). Unfortunately, between her Golden Globe-winning role on Parks and Recreation, work as a producer and director, place as one of the most beloved SNL alumni and cofounder of the Upright Citizens Brigade, involvement with the website Smart Girls at the Party, frequent turns as acting double for Meryl Streep, and her other gig as the mom of two young sons, she's not available for movie night. Luckily, we have the next best thing: Yes Please, Amy's hilarious and candid book. A collection of stories, thoughts, ideas, lists, and haiku from the mind of one of our most beloved entertainers, Yes Please offers Amy's thoughts on everything from her "too safe" childhood outside of Boston to her early days in New York City, her ideas about Hollywood and "the biz," the demon that looks back at all of us in the mirror, and her joy at being told she has a "face for wigs." Yes Please is a chock-full of words and wisdom to live by.

Questions, answers, and illustrations explore situations calling for polite responses.

Desperate for work, recent Stanford grad Olivia Jonston accepts the job as Hunter Carlisle's new administrative assistant, unsure if she can follow his rules and keep her emotions in check.

Do you like to try new tastes? What food do you like best? Why? Are there some things you don't like to taste? Why not?

• Kirkus Best Books of 2015 selection for Biography • Published in celebration of Holiday’s centenary, the first biography to focus on the singer’s extraordinary musical talent When Billie Holiday stepped into Columbia’s studios in November 1933, it marked the beginning of what is arguably the most remarkable and influential career in twentieth-century popular music. Her voice weathered countless shifts in public taste, and new reincarnations of her continue to arrive, most recently in the form of singers like Amy Winehouse and Adele. Most of the writing on Holiday has focused on the tragic details of her life—her prostitution at the age of fourteen, her heroin addiction and alcoholism, her series of abusive relationships—or tried to correct the many fabrications of her autobiography. But now, Billie Holiday stays close to the music, to her performance style, and to the self she created and put into print, on record and on stage. Drawing on a vast amount of new material that has surfaced in the last decade, critically acclaimed jazz writer John Szwed considers how her life inflected her art, her influences, her uncanny voice and rhythmic genius, a number of her signature songs, and her legacy.

#1 NEW YORK TIMES BESTSELLER • Includes two new essays! **NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY MICHIKO KAKUTANI, THE NEW YORK TIMES** • **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED, THE GLOBE AND MAIL, AND LIBRARY JOURNAL** For readers of Nora Ephron, Tina Fey, and David Sedaris, this hilarious, wise, and fiercely candid collection of personal essays establishes Lena Dunham—the acclaimed creator, producer, and star of HBO’s Girls—as one of the most original young talents writing today. In Not That Kind of Girl, Dunham illuminates the experiences that are part of making one’s way in the world: falling in love, feeling alone, being ten pounds overweight despite eating only health food, having to prove yourself in a room full of men twice your age, finding true love, and most of all, having the guts to believe that your story is one that deserves to be told. “Take My Virginity (No Really, Take It)” is the account of Dunham’s first time, and how her expectations of sex didn’t quite live up to the actual event (“No floodgate had been opened, no vault of true womanhood unlocked”); “Girls & Jerks” explores her former attraction to less-than-nice guys—guys who had perfected the “dynamic of disrespect” she found so intriguing; “Is This Even Real?” is a meditation on her lifelong obsession with death and dying—what she calls her “genetically predestined morbidity.” And in “I Didn’t F*** Them, but They Yelled at Me,” she imagines the tell-all she will write when she is eighty and past caring, able to reflect honestly on the sexism and condescension she has encountered in Hollywood, where women are “treated like the paper thinbies that protect glasses in hotel bathrooms—necessary but infinitely disposable.” Exuberant, moving, and keenly observed, Not That Kind of Girl is a series of dispatches from the frontlines of the struggle that is growing up. “I’m already predicting my future shame at thinking I had anything to offer you,” Dunham writes. “But if I can take what I’ve learned and make one menial job easier for you, or prevent you from having the kind of sex where you feel you must keep your sneakers on in case you want to run away during the act, then every misstep of mine will have been worthwhile.” Praise for Not That Kind of Girl “The gifted Ms. Dunham not only writes with observant precision, but also brings a measure of perspective, nostalgia and an older person’s sort of wisdom to her portrait of her (not all that much) younger self and her world. . . . As acute and heartfelt as it is funny.”—Michiko Kakutani, The New York Times “It’s not Lena Dunham’s candor that makes me gasp. Rather, it’s her writing—which is full of surprises where you least expect them. A fine, subversive book.”—David Sedaris “This book should be required reading for anyone who thinks they understand the experience of being a young woman in our culture. I thought I knew the author rather well, and I found many (not altogether welcome) surprises.”—Carroll Dunham “Witty, illuminating, maddening, bracingly bleak . . . [Dunham] is a genuine artist, and a disturber of the order.”—The Atlantic

Mindy Kaling has lived many lives: the obedient child of immigrant professionals, a timid chubster afraid of her own bike, a Ben Affleck–impersonating Off-Broadway performer and playwright, and, finally, a comedy writer and actress prone to starting fights with her friends and coworkers with the sentence “Can I just say one last thing about this, and then I swear I’ll shut up about it?” Perhaps you want to know what Mindy thinks makes a great best friend (someone who will fill your prescription in the middle of the night), or what makes a great guy (one who is aware of all elderly people in any room at any time and acts accordingly), or what is the perfect amount of fame (so famous you can never get convicted of murder in a court of law), or how to maintain a trim figure (you will not find that information in these pages). If so, you’ve come to the right book, mostly! In Is Everyone Hanging Out Without Me?, Mindy invites readers on a tour of her life and her unscientific observations on romance, friendship, and Hollywood, with several conveniently placed stopping points for you to run errands and make phone calls. Mindy Kaling really is just a Girl Next Door—not so much literally anywhere in the continental United States, but definitely if you live in India or Sri Lanka. This enhanced eBook includes an audio introduction from the author; audio commentary from Mindy’s friends, including The Office costar B. J. Novak and Parks and Recreation creator Michael Schur; bonus photos, including an exclusive “Avalanche of Awkwardness” slideshow of never-before-seen childhood photos with audio commentary; and three full chapters read by the author.

Happily Ever After is all about a seventeen year old girl, whose sister is an author, whose mom is a psychologist, and whose dad is an asshole. As if just surviving high school isn't bad enough,there's also that boy, those friends, that dad, and the book her sister is writing. Prepare for a plottwist.
