Reluctantly returning home to Manchester, Vermont, Katherine Hill, a high-powered cosmetics executive in Manhattan, is met by an unforgiving Laney, her former best friend, and, tied together by a shared inheritance, must overcome their long-standing grudges to move forward with their lives. Original.

NOW INCLUDING A BRAND-NEW EPILOGUE! There are some things you can't leave behind... In *If You Find Me* by Emily Murdoch, a broken-down camper hidden deep in a national forest is the only home fifteen year-old Carey can remember. The trees keep guard over her threadbare existence; the one bright spot is Carey's younger sister, Jenessa, who depends on Carey for her very survival. All they have is each other, as their mentally ill mother comes

Download Ebook You Knew Me When Emily Liebert

and goes with greater frequency. Until that one fateful day their mother disappears for good, and two strangers arrive. Suddenly, the girls are taken from the woods and thrust into a bright and perplexing new world of high school, clothes and boys. Now, Carey must face the truth of why her mother abducted her ten years ago, while haunted by a past that won't let her go... a dark past that hides many a secret, including the reason Jenessa hasn't spoken a word in over a year. Carey knows she must keep her sister close, and her secrets even closer, or risk watching her new life come crashing down.

Will You Love Me Again? By: Emily Craig Going through high school and being high school sweethearts, Lucy and David seem to have the perfect relationship. After being recently married, marriage stress doesn't hesitate to bite at their vows. As the story goes on, Lucy, an aspiring writer, begins to have her suspicions of David and if she can trust him. As you are taken through this whirlwind romance, you quickly learn how love can be taken from you in an instant.

An engrossing novel that examines the intricacies of marriage, friendship, and the power of unexpected connections—Annabel Ford has everything under control, devoting her time to her twin boys and keeping her household running smoothly. But when her husband of a decade announces that he's leaving, she's blind-sided. And suddenly her world begins to unravel. Piper Whitley has always done her best to balance it all—raising her daughter Fern by herself while advancing her career as a crime reporter. Only now that she's finally met the man of her dreams, Fern's absentee father shows up, throwing everything into a tailspin. Married to the heir of a thriving media conglomerate, Mackenzie Mead has many reasons to count her blessings. But with an imperious mother-in-law—who's also her boss—and a husband with whom she can no longer seem to connect, something has to give. On the surface, these three women may not have much in common, but just when they each need someone to lean on, their lives are thrust together, forming unlikely friendships that help each woman navigate her new reality.

“A riveting tale of subterfuge, betrayal, and retribution set among the glittering world of New York's elite.” —Liv Constantine, bestselling author of *The Last Mrs. Parrish* The name of the game is revenge—no matter the cost—in this emotionally charged thriller reminiscent of *The Wife Between Us* and *The Perfect Nanny*. Kerrie O'Malley, jobless and in an unfulfilling relationship, can isolate the exact moment in her life when things veered off course—the night she was irrevocably wronged by someone she looked up to. Eighteen years later, when Kerrie sees the very woman who destroyed her life on television, a fire ignites inside her. The stakes are high. The risks are perilous. But she'll stop at nothing to achieve the retribution she deserves. Jordana Pierson is a gilded New Yorker who appears to have it all: wealth, glamour, a successful and handsome husband, and a thriving wedding concierge business. Her record is spotless. Her business is flourishing. No one knows the truth about her and the dark shadows of her past. No one, that is, except Kerrie. Exploring just how far someone will go for vengeance, *Pretty Revenge* is “a fun, twisty thrill ride about the dark side of female friendship” (PopSugar).

A new friendship forces a widow looking for a fresh start to confront her past in this compelling novel from the award-winning author of *Some Women*. While Allison Parker once savored the dynamic pace of city life, it has sadly lost its allure since her husband's untimely death. Now, back to her hometown in the suburbs of New York accompanied by her ten-year-old son, Logan, Allison is ready to focus on her art career. She doesn't anticipate that her past will resurface. But when the wife of her husband's best friend from summer camp takes her under her wing, things begin to spin out of control. At one time, Charlotte Crane thought she had it all—a devoted husband, a beautiful little girl, and enough financial security to never have to worry. But behind her “perfect” facade lies a strained marriage and a fractured relationship with her sister. When “new girl” Allison arrives in Wincourt, Charlotte welcomes the

Download Ebook You Knew Me When Emily Liebert

chance to build a friendship. Before long, Charlotte begins to see her life through Allison's eyes, and the cracks in her seemingly flawless existence become impossible to ignore. As Allison heals from the loss of her husband—even wondering if she might be ready to date again—Charlotte feels more distant from her loved ones than ever before. The emerging friendship between the two women appears to be just the antidote both of them so desperately need...until everything falls apart.

An idyllic girlfriends' getaway is upended when lies and secrets come to the surface in this captivating women's fiction novel from the author of *Some Women*. On the surface, Sloane has the perfect life—an adoring husband, a precocious daughter, and enough financial security to be a stay-at-home mom. Still, she can't help but feel as though something—or someone—is missing... Hillary has a successful career and a solid marriage. The only problem is her inability to conceive. And there's a very specific reason why... As the wild-child daughter of old family money, Georgina has never had to accept responsibility for anything. So when she realizes an unexpected life change could tie her down forever, she does exactly what she's always done: escape... When these three women unite for a three-week-long summer vacation in beautiful Lake George, New York, even with a serene location as their backdrop, the tensions begin to mount. And they quickly discover that no secret can be kept forever.

"A poignant and moving novel about two people recovering from traumatic injuries in the same hospital ward ... and who begin falling in love without ever seeing each other"--

From the acclaimed author of *Waiting to Surface* comes a page-turning novel about four college friends whose reunion reawakens old desires and grudges—with fatal results. What happens when you think you know the person you love—and you're dead wrong? Thirty-nine-year-old Lisa Barkley looks over at her sleeping husband, Sam, and can't help but feel that their fifteen-year marriage is in a funk that she isn't able to place. She tells herself that the strain must be due to their mounting financial pressures. With two daughters about to start another year at an elite Upper East Side private school and her own career hitting a wall, the effort of trying to stay afloat in their privileged world is increasingly difficult. But when she listens to Sam's voicemail and hears a whispered phone call from a woman he is to meet that night, she begins to suspect he is having an affair. Lisa's best friend, Deirdre, claims it can't be true. But how can Lisa fully trust her opinion when Deirdre is mired in her own obsessive affair? When Deirdre's former college flame, Jack, comes to town and the two couples meet to celebrate his fortieth birthday, the stage is set for an explosive series of discoveries with devastating results. Filled with suspense and provocative questions about the relationships we value most, *Best Intentions* is a tightly woven drama of love, friendship and betrayal.

“One of my favorite authors.” Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a

Download Ebook You Knew Me When Emily Liebert

meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again in a series of coincidences no editor worth their salt would allow what they discover might just unravel the carefully crafted stories they've written about themselves.
