On Sarah Whitfield's seventy-fifth birthday, memories take her back to New York in the 1930s. To a marriage that ends after a year, leaving Sarah shattered. A trip to Europe with her parents does little to raise her spirits, until she meets William, Duke of Whitfield. In time, despite her qualms, William insists on giving up his distant right to the British throne to make Sarah his dutchess and his wife. On their honeymoon, the newlyweds buy an old French chateau, but not long after, the war begins. William joins the allied forces, leaving Sarah, their first child, an infant, and their second child on the way, in France. After the Nazi forces take over the chateau, Sarah continues to survive the terror and deprivation of the Occupation, unwavering in her belief that her missing-in-action husband is still alive. After the war, as a gesture of goodwill, the Whitfields start buying jewels offered for sale by impoverished war survivors. With Sarah's style and keen eye, the collection becomes the prestigious Whitfield's jewelry store in Paris. Eventually, their jewelry business expands to London and Rome, as their family grows. Phillip, their firstborn, is stubborn and proud; Julian, their second son, is charming and generous and warm; Isabelle is rebellious and willful; and Xavier, unusual and untamed, is the final unexpected gift of their love. They each find their own way, but will be drawn to the great house of gems their parents built. In *Jewels*, Danielle Steel takes the reader through five eventful decades that include war, passion, international intrigue, and the strength of family through it all.

The lives of three individuals--singing star Crystal Wyatt, power-hungry Elizabeth Barclay, and lawyer Spencer Hill--intertwine personally and professionally as these three ambitious figures pursue their goals

Seeking some much-needed rest and relaxation after a long stint as a TV-news war correspondent in Bosnia, 33-year-old Bill Fitzgerald travels to Venice. There he is struck by the dark beauty of a young American woman, Vanessa Stewart, a 27-year-old glass designer from New York. Unhappily married, she welcomes a no-strings friendship with Bill. Soon they embark on an illicit affair and find themselves desperately in love. They vow to see each other whenever and wherever they can. But on their third meeting, one of them does not show up. Once again, Barbara Taylor Bradford weaves a love story of uncompromising ardor, this time taking readers through secret trysts in Venice, Manhattan and Southampton. In *A Secret Affair*, she touches on subjects that will stir the hearts and minds of her readers -- unconditional love and devotion, loyalty and loss.

Wanderlust is the story of Audrey Driscoll. Orphaned young, Audrey has grown up caring for her eccentric millionaire grandfather and her demanding younger sister, Annabelle, who assume she will always be there for them. Sheltered yet restless, responsible beyond her years yet hungering for experience, Audrey is hopelessly bound until she herself makes the daring decision to leave. As the 1930s unfold, alone, camera in hand, she will shock friends and outrage family as she plunges headlong into the wider world. Crossing the Atlantic aboard the luxurious *Queen Mary*, Audrey meets James and Violet Hawthorne, who will draw her into a sophisticated circle of artists and expatriates.

And it is they who will introduce her to Charles Parker-Scott, in who Audrey will come to recognize a twin soul, a man propelled by relentless curiosity and driven by conflicting needs for intimacy and independence. Together they will spend an exquisite summer at Cap d'Antibes, then board the Orient Express on an adventure that will carry them to a remote outpost in China. But at the farthest reaches of this journey Audrey must choose again. Japan has attacked China. Charles knows he must return to Europe at once. But Audrey becomes involved with a besieged orphanage and decides to remain in China without Charles, caring for the abandoned children until help arrives. In time Audrey will return to America with a daughter of her own. While she must come home to San Francisco to confront a world irrevocably changed by time, she finds she cannot stay. From prewar Germany to London during the Blitz, from a wrenching reunion with Charles to a war zone in North Africa, again and again she must choose between the dictates of her conscience and the yearnings of her heart. For Audrey Driscoll and the men and women whose lives touch hers, wanderlust is the inescapable element. Born at a time when women were expected to stay close to home and fulfill traditional roles, Audrey is compelled to follow the thread of events that will destroy the complacency of the past and shape the future. From Europe to China, from San Francisco to North Africa, she is irresistibly drawn into a man's world of conflict, discovery, and danger. In a vivid novel of breathtaking scope, Danielle Steel has once again surpassed herself in creating an unforgettable tale of men and women caught in the tides of personal drama and historic event. *Wanderlust* is Danielle Steel's finest journey.
